

Recognised globally as a **leader in Orthopaedic Sports Medicine**, Professor YUNG Shu-Hang Patrick is the current Chairman of the Department of Orthopaedics and Traumatology, Assistant Dean of Alumni Affairs of the Faculty of Medicine of CUHK as well as serving as Chairman or President of several prominent local & international organisations focused on orthopaedics, sport medicine and arthroscopy surgery. In Hong Kong, he serves on the board of directors of several leading centres of health science, including the Hong Kong Centre of Sports Medicine and Sports Science, The Hong Kong Jockey Club Sports Medicine and Health Sciences Centre and he is also the Clinical Director of Institute for Tissue Engineering and Regenerative Medicine (iTERM), the current President of the Asian Federation of Sports Medicine (AFSM), a former president of both the Hong Kong Association of Sports Medicine & Sports Science (HKASMS) and the Hong Kong College of Orthopaedic Surgeons (HKCOS).

A **keen researcher and educator**, Professor YUNG leads a team of CUHK researchers devoted to making advances in sports medicine and arthroscopy surgery. He has published over a hundred scientific papers in international journals, contributing significantly to establish Hong Kong's leading position in sports medicine. The head of two post-graduate MSc program - including the first ever Master Course in Sports Medicine & Health Science in Hong Kong - he has helped train over 700 medical professionals in the field of sports medicine since 2005. He also conducted hundreds of training courses to teach people ranging from amateur sports lovers to medical professionals about the management of sports injuries, from delivering emergency care on the field to the treatment and rehabilitation of injuries. In his capacity as director of the Orthopaedic Learning Centre (OLC) of CUHK, he has contributed to the training and development of more than 12,000 Orthopaedics surgeons from all over the world over the past 20 years.

Professor YUNG is also committed to delivering **medical services in amateur and professional sport communities** in Hong Kong, China & overseas. As Medical Consultant for the Hong Kong Sports Institute, he has been volunteering his services for athletes of Hong Kong's elite sports teams and has been holding weekly clinic at the Hong Kong Sports Institute since 2001. Since 2003, he has been acting as Team Physician for Hong Kong teams competing in several major international tournaments, focusing mostly on the management and medical care coordination of injuries suffered by the elite athletes of the Hong Kong Sports Institute. His commitment to the promotion of sports medicine education and delivery of clinical services extend to public amateur sports lovers, and Professor YUNG has been serving sports teams across all levels of education (primary, secondary and college level). He is also an active member of the Elite Anti-doping & Medical Panel of the Asian Football Federation (AFC), and has been performing Anti-Doping works in major local and international sports competitions for the last 15 years. He remains an active member of the Anti-Doping Disciplinary Panel of the Hong Kong Anti-Doping Committee, Sports Federation & Olympic Committee of Hong Kong, China (SF&OC) and is a key figure in Anti-Doping in Asian football.

Professor YUNG is known for his **selfless dedication to community service**, particularly in promoting sports as an important part of an active and healthy lifestyle, as well as advocating for safety in sports for all participants. In his capacity of Vice Chairman of the Community Sports Committee and Chairman of the Student Sports Activities Co-ordinating Sub-committee of The Government of HKSAR as well as in his functions of Member of the Sports Commission of the Government of HKSAR, Professor YUNG advises the Hong Kong government on strategies and

initiatives aimed at promoting community participation in sports, particularly in schools. He also works on fostering partnerships between different sectors of the community to promote major community sports programmes, develop territory-wide community sports facilities and improve existing sports facilities.

Professor YUNG's commitment to community services has helped make Hong Kong a global leader in the field of Sport Medicine & Arthroscopy Surgery. In recognition of his local and international contributions in the advancement of Sports Medicine & Health Science, he has been awarded the **"Ten Outstanding Young Persons of Hong Kong"** in 2009, the **"FIMS Fellows"** in 2011, the **"Award of Secretary for Home Affairs' Commendation Scheme"** of the Government of HKSAR in 2015. He also received the prestigious **"Chinese Sports Medicine Magnolia Award"** in 2017, the highest **"Takagi & Watanabe Award"** of Asia Pacific Knee Arthroscopy & Sports Medicine Society in 2018 as well as the **"Golden Cradle Award"** of the Hong Kong Elite Athletes Association in 2018 and the **"Hong Kong Health Award"** in 2018. He was made **"Justice of the Peace"** by the Government of Hong Kong SAR in 2018.
