Biography: Chih-yu Shih is currently teaching international relations theory, anthropology of knowledge, and China studies in the capacity of National Chair and University Chair in the Department of Political Science at National Taiwan University. He is additionally the author of over 60 books, including *Post-international Relationship Reconsidered: The Pre-modern Politics of Gongsun Long* (2015); *Harmonious Intervention: China's Quest for Relational Security* (2014); *Sinicizing International Relations: Self, Civilization and Intellectual Politics in Subaltern East Asia* (2013); *Civilization, Nation and Modernity in East Asia* (2013); *On China By India: From Civilization to Nation State* (2012); *Autonomy, Ethnicity and Poverty in Southwestern China: The State Turned Upside Down* (2007), *Navigating Sovereignty: World Politics Lost in China* (2003). He is also the editor of the journal *Asian Ethnicity* and an editorial board member of a few international and domestic political science as well as China studies journals. His current project on the intellectual history of China Studies in Hong Kong belongs to a larger project on Anthropology of Knowledge in the perspective of China studies.
