The "General information" section includes the heading "Reasons for Exchange" and the text: "To take courses not available at CUHK, experience a different learning environment, to master a new language, immerse into foreign cultures, improve your career prospects and learn to be independent." It also includes the heading "When should I start planning?" and the text: "Planning to go on exchange should begin as early as your first year at CUHK. It will take approximately 9 months from the time you start planning, to the time you leave Hong Kong for your exchange destination. To qualify for admission to some exchange programmes and to take full advantage of the experience, you need to achieve certain minimum academic standards and where appropriate, build a foundation in a foreign language. Careful planning will prepare you for your exchange as well as meet". The browser's taskbar at the bottom shows the system tray with the date and time: 5:30 PM, 14-Oct-14.
