CURRENT SITUATION

September 2017-August 2019: Researcher at the French Center for Research on Contemporary China and Chief Editor for the journal *China Perspectives*

<http://www.cefc.com.hk/>

EDUCATION AND QUALIFICATIONS

September 2015-August 2017: Postdoctoral Fellow at CHERPA, Sciences Po Aix-en-Provence, based in mainland China on the MEDIUM European research project focusing on medium-sized cities (Datong, Hangzhou, Zhuhai).

<http://mediumcities-china.org/>

September 2015-August 2017: Postdoctoral Fellow at the CHERPA (Sciences Po Aix), and at the Center for Modern and Contemporary China studies (CECMC), laboratory China Korea Japan (UMR 8173, EHESS)

- *April 2017-August 2017:* Research on the daily life of coal miners in Datong, an ethnography of economic decline after the Ten Golden Years and the incomplete reconversion of the city
- *September 2016-March 2017:* Research on urban planning, patrimonialization and community participation in Zhuhai, Guangdong, with the case of Qi Ao ecological island
- *September 2015-August 2016:* Research on urban society, patrimonialization and political leadership in a failed “historical Chinese city”, and on the social effects of an urban renewal operation in a context of economic crisis in the coal-mining district of Datong, Shanxi

September 2014-August 2015: Postdoctoral Fellow at the Center for Modern and Contemporary China studies, research center China Korea Japan (UMR 8173) at EHESS, Merit-based selection.

Research project: “Vulnerability in questions in the neighbourhoods of Beijing: an ethnography of the daily work of residents’ committee agents’ towards the “weak and vulnerable groups””

Key-words: contemporary China; government of urban neighbourhoods; residents' committee;

grassroots public policy; subject and state formation; political ethnography
<http://cecmc.ehess.fr/index.php?3063>

February 2014: Qualified to apply for a “Maître de conférences” (associate professor) position in French universities (National University Commission) in several sections.

- section 04 of the CNU “Political Science”
- section 15 of the CNU “Chinese Studies”
- section 19 of the CNU “Sociology, Demography”

February 2013: PhD in Political science, Sciences Po Paris (CERI)

Doctoral thesis: Vie quotidienne et pouvoir dans trois quartiers de Pékin, Une microsociologie politique comparée des modes de gouvernement urbain au début du 21^e siècle¹, supervised by Jean-Louis Rocca. [Power and daily life in three urban neighborhoods in Beijing. A comparative political microsociology of urban government at the beginning of the 21st Century]

Thesis defended on February 6., 2013, obtained with the highest honors; Mention Très Honorable, Félicitations du jury

Jury: Yves Chevrier, Béatrice Hibou, Antoine Kernén, Jean-Louis Rocca, Yasmine Siblot

October 2010-August 2012: part-time lecturer (merit-based) at the University Paris-Est-Créteil (mandarin language) and doctoral student at Sciences Po Paris-CERI.

October 2007-September 2010: Doctoral student at Sciences Po Paris (comparative politics, Asia, CERI). PhD scholarship (merit-based).

Academic year 2006-2007:

- Research Master’s degree at Sciences Po Paris (Comparative Politics, Asia): double degree Master of Sciences Po/Doctoral School, obtained with the highest honours (“Très Bien”).

Master’s thesis: “Residents’ committees at the heart of social and spatial change in Beijing, supervisor Jean-Louis Rocca.

- B.A. in Chinese language and literature at University Paris 7 Denis Diderot: bachelor’s degree, obtained with honours (“Bien”).

Academic year 2005-2006: first year Master’s degree student at Sciences Po Paris (Political science, Asia)/2nd year student in mandarin (language and culture) at University Paris 7 Denis Diderot (Second-year degree obtained with honours, “Bien”).

COMMUNICATIONS IN CONFERENCES AND WORKSHOPS

International conferences

- **14-16. October 2017: East Asian Anthropological Association**, Annual Meeting, Chinese University of Hong Kong

Panel coordinator and paper presenter: “Deserted themed spaces as traces of material culture, vestiges of desire, and ephemeral spectacles in postsocialist China”

- **11-14. September 2017: The 1st RC33 Regional Conference on Social Science Methodology**, Academia Sinica, Taipei

Oral presentations:

““Urban exploration” as a visual approach between urban sociology and the ethnography of decay: The case of urban ruin exploration in Chinese cities”

“Bringing new perspectives on micro-social processes in China: a political ethnography of grassroots government in Beijing's urban neighborhoods”

- **6-7. July 2017: “The Politics of Inclusion” Conference**, CROP (ISSC/UiB) and UNESCO’s Management of Social Transformations Programme (MOST), Paris, France

Oral/written presentation: “The urban neighbourhood as a place for social work experimentation in 21st century China: an ethnographic research on the interactions between residents’ committee (*jumin weiyuanhui*) agents and «vulnerable groups» (*ruoshi qunti*) in Beijing and Chongqing”

- **16-18. June 2017: “Urban China and the challenges of sustainability”**, *MEDIUM international conference*, Sun Yat-sen University, Guangzhou

Oral presentation: "Reexploring the "danwei-shequ" transition: the housing issue as an object of public policy, transfer of skills and recompositions of the socio-administrative territory in the case of an urban renewal operation in Datong's Mining District"

- **21-22. October 2016: Political representation beyond elections: A comparison China/Western countries**, Beijing University

Oral presentation (with Jérôme Doyon): From political activism to social work: The renewed intermediary function of two mass organizations in 21st century China

- **21-25. August 2016: 33rd International Geographical Congress**, Beijing

Oral presentation: The transformation of urban lifestyles in a medium-size city: The case of the Datong coal mining area at the beginning of the 21st century

- **3-5. July 2016: New European Research on China Conference**, CEFC-CFC, Beijing

Panel chair on « Urbanization and Urban planning » : Discussion of papers and debates

- **24-28. June 2016: First Scientific Conference, MEDIUM**, Hangzhou Normal University

Oral communication: Living with and without the mine: A political ethnography of the residential lifestyles of coal mine workers in Datong

- **5. June 2015: Congrès des Associations suisses de sociologie**

Thematic section 12: Urban imaginaries and contention of public space in cities

Oral/written presentation: An ordinary form of prestige: urban imaginaries and contention associated to commodity housing (*shangpinfang*) ownership in 21st century urban China

- **5-7. February 2015: 6th Congress of the French-language Associations of Political Science**, Lausanne University

Oral/written presentation: Apports et défis méthodologiques de l'inspiration anthropologique en études politiques, le cas d'une enquête ethnographique en Chine [Advantages and methodological challenges of ethnographic inspiration in political studies, the case study of an ethnographic fieldwork in China]

- **22-26. July 2014: European Association of Chinese Studies Conference**, Braga & Coimbra

Discussant and presenter for the panel "Seeking distinction in China: how the notion of quality influences individual behaviour and discourse in a changing society", coordinated by Judith Audin, Émilie Frenkiel and Nolwenn Salmon

- **2-4. July 2014: New European Research on contemporary China International Conference**, CEFC, Beijing (*in absentia*)

Written presentation: Bringing new perspectives on local government in contemporary China: ethnography of power relations in Beijing's urban neighbourhoods

- **25-26. January 2013: "Engagements et tensions autour de la rénovation urbaine, expériences locales et comparaisons internationales" [Involvements and tensions around urban renewal: local experiences and international comparisons]**, ENSA-Paris Val de Seine, Paris

Oral presentation: Appropriations et expropriations de l'espace: le cas de la rénovation urbaine à Pékin au début du 21^e siècle [Appropriations and expropriations of space: the case of urban renewal in Beijing at the beginning of the 21st century]

- **27-28. October 2012: *The Fourth China Study International Conference***, Nanjing, China

Oral/written presentation: The politics of comfort: urban middle-class and the experience of homeownership in Beijing's commodity housing

- **25-27. August 2011: 6th ECPR General Conference**, Reykjavik, Iceland

Thematic Session: Social roots of political processes.

Panel: Looking politics from below. Local ethnographic approaches of political participation

Oral/written presentation: Bringing new perspectives on political processes in China: an ethnographic approach of local government in Beijing's urban neighbourhoods

National conferences

- **3-6. July 2017: *French Association of Sociology Conference***, Université of Amiens

Oral presentation: La rénovation urbaine, angle d'étude des processus de reconfiguration des relations entre une entreprise d'État chinoise et ses ouvriers. Le cas des mineurs de charbon relogés à « Penghuqu » (Datong, Shanxi) [Urban renewal as an angle of study of the processes of reconfiguration of relationships between a Chinese work unit and its workers. The case of coal miners relocated in "Penghuqu" (Datong, Shanxi)]

- **22-23. June 2017: "*Les frontières du privé*" conference [The boundaries of privacy]**, Université de Poitiers

Oral presentation: "La rénovation urbaine, angle d'étude des recompositions des relations entre une unité de travail et ses ouvriers dans la Chine du 21^e siècle. Le cas des mineurs de Tongmei, relogés à « Penghuqu », Datong" [Urban renewal as an angle of study of the processes of reconfiguration of relationships between a Chinese work unit and its workers. The case of coal miners relocated in "Penghuqu" (Datong, Shanxi)]

- **24. January 2017: (with Luca Gabbiani, historian, EHESS) *Habitants et citoyens, gouvernement urbain à Pékin. Ruptures et continuités du XIX^e au XXI^e siècle* [Inhabitants and citizens, urban government in Beijing. Ruptures and continuities from the 19th century until the 21st century]**, Cité de l'Architecture et du patrimoine, Paris
- **26-28. June 2017: 6th French Network for Asian Studies International Conference**

Panel coordinator: Activisme, contrôle social et nouveaux rapports de dépendance: le renouveau des organisations intermédiaires de l'État parti chinois [Activism, social control and new relationships of dependency: the rise of intermediary organisations of the Chinese Party-State]

Oral/written presentation: Se confronter à un double public: le cas des comités de résidents, une organisation de première ligne dans la Chine urbaine du 21^e siècle [Confronting with a

double public: the residents' committee, a frontline organization in 21st century urban China]

- **24. November 2016:** [Troisièmes rencontres annuelles d'ethnographie, EHESS, Paris](#)

Atelier n°2 : Saisir par l'ethnographie les processus contemporains de recomposition des groupes sociaux dans les pays de l'ancien bloc socialiste [Using ethnography to grasp the contemporary processes of recomposition of social groups in the former socialist countries]

Oral/written communication: Ethnographier la fragilisation d'un groupe social à travers la rénovation urbaine. Enquête sur les mineurs relogés de « Penghuqu » (Datong, Shanxi, Chine) [Using ethnography to understand the fragilization of a social group through an urban renewal project. A case-study on the relocated miners of « Penghuqu » (Datong)]

- **13-15. October 2015 :** [Deuxièmes rencontres annuelles d'ethnographie, EHESS, Paris](#)

Workshop n°2: Ethnographier le politique dans la ville

Oral/written communication: Ethnographier l'ancrage urbain d'une organisation officielle comme retour vers le politique en Chine : le cas des comités de résidents à Pékin (2007-2015)

- **16-18. December 2014:** *First Biennale of urban sociology, University of Lille 1*

Oral/written presentation with Adrien Fauve: Enquêter dans des villes en situation autoritaire: quelles spécificités méthodologiques et quelles comparaisons?

- **14-16. September 2011:** *4th Congress of Réseau Asie, Paris*

Panel: Les nouvelles figures de la promotion immobilière dans les mégapoles asiatiques. Normalisation des projets d'aménagement et transformation des grands équilibres urbains

Oral/written presentation: Réinvention des styles de vie et des normes sociales dans la Chine contemporaine. Une étude sociologique des modalités de coexistence et de conflits autour des nouveaux propriétaires à Pékin

International workshops

- **15. December 2016:** *4th Political Philosophy Workshop at Zhuhai/Sun Yat-sen University*

Discussant of Eric Florence's paper: "Public spaces, Mediation, and Scales of Visibility"

- **3-5. December 2016:** *Second MEDIUM scientific seminar, Sun Yat-sen University, Guangzhou*

Oral presentation: The reshaping of social groups through the process of urban renewal in post-socialist China: a case study on the coal miners in Datong (Shanxi province)

- **28-30. November 2015:** *First MEDIUM scientific seminar, Hangzhou Normal University*

Oral/written communication: Lost in translation ? First results of field research in Datong

- **27. July 2015 :** *International Workshop on « Social Protection and Poverty Alleviation in Asia 2015 », Hong Kong Institute of Education*

Oral/written communication: The urban neighbourhood as a site for social work in 21st century China: an ethnographic research on the interactions between residents' committee

(*jumin weiyanhui*) agents and “vulnerable groups” (*ruoshi qunti*) in Beijing

- **23. March 2015: Workshop “Shanghai à contre-courant” [Shanghai against preconceived notions]**, Cité de l’Architecture et du Patrimoine, Paris

Oral/written presentation: Urbanisation et idées reçues en Chine urbaine: perspectives par le bas [Urbanization and preconceived ideas in urban China: perspectives from below]

- **18-19. March 2015: Workshop on Urban dynamics, economic strategies and governance in contemporary India and China**, EHESS, Paris

Oral/written presentation: Social and spatial local (dis)orders in 21st century urban China: a comparative study in three neighbourhoods in Beijing

- **18-19. December 2014: The making of the Chinese subjects**, CERI-Sciences Po Paris

Oral/written communication: Between civil servants and local representatives: elements for an ethnographic perspective on the subjectivation processes of residents' committee agents in Beijing

- **4-12. October 2014: Autumn school in sociology**, Peking University-EHESS, Paris

Discussant and co-organizer

- **24-25. September 2014: Grassroots implementation of planning and policy: residents' involvement and indifference in Chinese cities, UrbaChina workshop**, London School of Economics

Discussant

- **25-30. August 2014: Summer school on “Sorties de régimes socialistes-autoritaires” [growing out of socialist-authoritarian regimes]**, Moscow

Oral/written presentation: Enjeux politiques et sociaux de l’accession à la propriété immobilière dans la Chine urbaine, du logement attribué au logement marchandise (1953-2013) [Political and social aspects of accessing real-estate property in urban China, from allocated housing to commodity housing (1953-2013)]

- **22-24. November 2013: “La rue et l’e-rue” [The street and the “e-street”]**, Institute of political studies, Bucarest

Oral/written presentation: Territorialité de l’action collective et processus de déterritorialisation des problèmes publics dans les quartiers. Le cas des quartiers récents de Pékin [Territoriality of collective action and deterritorialization of public issues in urban neighbourhoods. The case of newer neighbourhoods in Beijing]

- **10. June 2013: “La rue et l’e-rue” [The street and the “e-street”]**, Institut Français de Bulgarie, Sofia

Oral/written presentation: Territorialité de l’action collective et processus de déterritorialisation des problèmes publics dans les quartiers. Le cas des mobilisations lors de conflits liés au logement à Pékin [Territoriality of collective action and deterritorialization of public problems in urban neighbourhoods. The case of housing conflicts in older

neighbourhoods in Beijing]

- **4-5. June 2012: Workshop “Irony, cynicism and the Chinese state”**, LSE, London

Oral/written presentation: Street-level bureaucrats and the residents. An interactionist perspective on irony in Beijing's urban neighbourhoods

- **12-14. August 2009: International workshop “Provision of public services and changing modes of governance in urban China”**, Turku University, Finland

Oral/Written presentation: New configurations of urban neighbourhoods: perspectives on governmentality in China

- **18-20. March 2010: Doctoral conference “Political and Social Challenges in Europe”**, Pompeu Fabra University, Barcelona

Oral/written presentation: “A theoretical challenge: transposing Western theories and concepts in order to analyze micro-level social and political phenomena in Chinese urban neighbourhoods. The Foucauldian notions of governmentality and biopower as case studies”

- **11-14. December 2008: Doctoral conference “Understanding complexity: methodology and research design in the social sciences”**, Central European University, Budapest.

Oral/written presentation: “The residents’ committee, an ambiguous institution at the grassroots level: new perspectives on the arts of governing urban China”

National workshops

- **June 3. 2017: “Fieldwork practices in China” Workshop**, Sino-French Center at Tsinghua University, Beijing

Oral/written presentation: "Ethnographic research on an incomplete reconversion: conducting fieldwork in Datong (Shanxi, China)"

- **24. January 2017: Cycle of conferences on China**, Cité de l'Architecture et du Patrimoine, Paris

Coordinator: Françoise Ged, architect and China specialist

Oral presentation: Judith Audin, Luca Gabbiani, “Habitants et citoyens, gouvernement urbain à Pékin, ruptures et continuités du XIXe au XXIe siècle”

- **11-12. June 2015: « Normes sociales et légitimité en Chine contemporaine » [Social norms and legitimacy in contemporary China]**, EHESS, Paris

Coordinator : Isabelle Thireau, Discussant : Emmanuel Caron (EHESS)

Oral presentation: (with Wang Na) Exemplarité et politiques de la publicité de Chen Guangbiao: une mise en scène publique de soi et par des publics entre (auto)dérision et ringardisation [Exemplarity and politics of publicity of Chen Guangbiao: a public presentation of self and by other publics between (self)ridicule and dorkization]

- **30-31 March 2015: “Le terrain dans l'étude de l'Asie: retours d'expériences et stratégies**

de recherche” [*Fieldwork in the study of Asia: sharing experiences and strategies of research*], Institut d’Asie Orientale, Lyon

Oral presentation: Judith Audin, Adrien Fauve, Enquêter dans des villes en situation autoritaire: quelles spécificités méthodologiques et théoriques des terrains asiatiques? Une comparaison Chine-Kazakhstan

- **10. July 2014: Invited scholar to the panorama of research**, Thematic reunion, Réseau des acteurs de l’habitat et du REHAL, Cité Universitaire de Paris

Written presentation: 2014-2020: quelles coopérations acteurs de l’habitat-chercheurs?

- **4. June 2013: “La représentation politique en Chine” [Political representation in China]**, Université Paris 8, CRESPPA-CSU, GRePo-AFSP, MSH-Paris Nord

Oral/written presentation: “Representation in Beijing neighbourhoods: an analysis of discourses and practices in residents’ committees and homeowners’ associations”

- **24. May 2012: China workshop**, Cité de l’architecture et du patrimoine, Paris

Oral presentation: “Le gouvernement des quartiers d’habitation à Pékin: étude de trois quartiers contrastés”

- **10. May 2011: Doctoral meeting of Asia 2011**, Sciences Po/CERI, Paris.

Oral/written presentation: Pouvoir, espace et civilisation. Esquisse d’une sociologie politique des modes de gouvernement et des configurations sociales dans les espaces d’habitation à Pékin [Power, space and civilization: first elements of a political sociology of government techniques and of social configuration in neighbourhood spaces in Beijing], discussed by Béatrice Hibou, professor at CERI/Sciences Po Paris

- **2. December 2010: Workshop “Sociologie de l’urbain et des territoires” [Sociology of the urban and of territories] (RT9 of the French Association of Sociology)**

Oral/written presentation: Enjeux de la redéfinition des modes de gouvernement et des configurations sociales dans les espaces d’habitat en Chine contemporaine: une étude anthropologique sur les interactions locales à Pékin [Redefining government techniques and social configuration in housing spaces in contemporary China: an anthropological study on local interactions in Beijing], discussed by Amélie Flamand (sociologist and urban planner)

- **26. June 2009: Doctoral workshop**, Association Française d’Études Chinoises

Oral/written presentation: Instances de représentation des habitants: quelles modalités de coexistence dans les nouvelles résidences? Le cas de YTY à Pékin

- **6-7. February 2009: Workshop “Savoirs citoyens et démocratie participative dans la question urbaine” [Citizens’ knowledge and participatory democracy in the urban question]**, ENSA-Paris Val de Seine.

Oral/written presentation: Une illustration du processus de socialisation de l’État en Chine urbaine: les interactions entre comités de résidents et habitants à Pékin [An illustration of the socializing process of the state in urban China: interactions between residents’ committees and

inhabitants in Beijing]

Lectures given in university classes

- **27. April 2017:** Seminar of the Chinese studies department, Xi'an Jiaotong-Liverpool University, Suzhou

Oral presentation: "A political ethnography of grassroots government in Beijing's urban neighbourhoods"

- **20. January 2017:** Scientific seminar "China-Russia: Comparative Perspectives" (Master's and PhD programs), EHESS, Paris

Oral presentation: "Exploring the holes of the city", a comparison between Datong and Belgrade

- **9. December 2016:** Seminar of the CFC, Tsinghua University

Oral presentation: "The reshaping of social groups through the process of urban renewal in postsocialist China: a case study on the coal miners in Datong (Shanxi province)"

- **29. April 2014:** Class on contemporary China "La Chine contemporaine: l'apport des sciences sociales", ENS (Florence Weber, Michel Offerlé)
- **29. November 2013:** Class on the sociology of collective action "Sociologie politique de l'action collective" (Master, Sciences Po Paris, Lilian Mathieu and H el ene Combes)

"Conflits et territoire dans la ville chinoise: les mobilisations dans les quartiers de P ekin"
[Conflicts and territory in the Chinese city: mobilizations in urban neighbourhoods in Beijing]

- **10. December 2012:** S eminaire "Logement" [Seminar on Housing], ENS (Master), s eance sur les habitants  vinc es par les op erations de r enovation des villes-centres

Oral/written presentation: Appropriation, expropriation et contestation dans l'espace des quartiers anciens de P ekin [Appropriation, expropriation, and contestation in Beijing's older neighbourhoods]
