=====

1/ BSCIN Students

For student who intends to declare major in Phase 2 (i.e. June 2021) should obtained C+ or above in a Faculty Package course specified by the potential major programme. Pass/fail CANNOT be used to fulfill major declaration requirement.

Please click [HERE](#) for details of major declaration requirements. Should you have any enquiry, please contact the Faculty Office via phone at (852) 3943-6327 or email at sfo@cuhk.edu.hk.

2/ Year 1 Students interested in STARS

STARS (Science, Technology And Research Stream) is set up for students with strong ability and interest to gain wider research experience and exposure during their undergraduate studies.

For student who intends to declare STARS in Phase 2 (i.e. June 2021), the requirements are as follows:

- i. Obtained a Year GPA of 3.7 or above in Year 1; AND
- ii. Obtained a GPA of 3.7 in 4 Faculty Package courses from 4 different groups (Pass/fail CANNOT be used to fulfill the requirement of declaring STARS.)

Should you have any enquiry, please contact the Faculty Office via phone at (852) 3943-0692 or email at sfo@cuhk.edu.hk.

3/ Other Considerations

Courses opt for the Pass/Fail grading will NOT contribute to the calculation of GPA but may affect the determination of Dean's List.
