Pharmacy

TSO Wai Ki, Kico

Over the past four years, I have met brilliant friends and mentors who have helped guide me in my career and personal development. I would like to thank all the professors who have truly inspired me with their passion. They have accomplished a lot by advancing patient care and expanding the role of pharmacists. They have reinforced my sense of pride in the profession. I would also like to thank my friends who shared with me the same dedication to improving patients' health, needs and satisfaction. I aspire to provide excellent patient care to my patients and at the same time, promote my profession with all my friends in the future.
