FACULTY OF SCIENCE

THE CHINESE UNIVERSITY OF HONG KONG

Risk Management Science Summer Research Internship 2020

The Risk Management Science (RMSC) Summer Research Internship Programme provides an opportunity for RMSC students to conduct a research project under the supervision of the department teaching staff with an allowance in summer. The programme aims to encourage students to engage in research activities and to be exposed to the research environment.

Research Period

From 1 June 2020 to 31 July 2020 (2-month)

Details

1. The research topics will be offered by the supervisors.
2. The students will work at the Department of Statistics and the working dates and hours will be informed by the supervisors.
3. The students are required to present their research projects to the supervisors at the end of the Summer Research Internship Programme.

Eligibility

- RMSC non-final year students
- Priority will be given to senior students
- NOT for students who will stay outside Hong Kong and/or take up any internship during the research period
