

**Fast-track PhD Admission 2020-21 to CUHK Statistics
through
Vice-Chancellor's PhD Scholarship Scheme**

Good News! For outstanding candidates whose PhD study plans in top overseas universities have to be changed, CUHK offers you a special scholarship to join us by a fast-track admission procedure!

BACKGROUND: The COVID-19 pandemic and global politics, which cause difficulty or uncertainty to get necessary visa or travel permission, may have or will affect many students' plans to study abroad.

OUR OFFER: If you are an outstanding student with a GPA of 3.5/4.0 or above who got PhD offers from the THE/QS top 50 overseas universities for admission in 2020-21, you are welcome to apply for our program. We may process your application quickly and admit you with a very competitive scholarship, which is HK\$80,000 more than our full financial support for regular postgraduates.

HOW TO: Applicants should submit an application for our full-time PhD in Statistics program via the [Online Application System](#), indicating clearly the intention to apply for the Vice-Chancellor's PhD Scholarship and submit the following documents:

- A copy of the PhD admission offer letter for 2020-21 from a top overseas university;
- Copies of academic transcripts, valid English language proficiency test score reports and other supporting documents as required in the system.

Application deadline: **30 June 2020, Tuesday**
