Credit transferability for CUHK students taking academic courses at other course offering universities

For the semester between January to August 2021

(Updated on 7 December 2020)

Group 1A

Application Deadline: 3 December 2020

University of Oregon

Course Code and Title	Credit transfer provisionally approved	No. of units that can be transferred	Equivalent course at CUHK	Remarks
BI 130 Introduction to Ecology	Yes (UGEE)	TBC (UGEE)	n/a	(1) The course can be considered for exempting Area B. However, the no. of total contact hour is not available in the course outline. The number of units to be exempted depends on the actual number of teaching hours. If it turns out that the contact hours could only be commensurate with a 1-unit course at CUHK, no University GE area would be exempted. (2) Biology Majors; and students in the following concentration areas of Natural Sciences Programme: Biological Sciences; and Environmental Studies cannot take this course for fulfillment of University GE requirement.
EC 202 Introduction to Economic Analysis: Macroeconomic	Yes	3	ECON2021 Basic Macroeconomics	
SOC 346 Work & Occupations	TBC	TBC	n/a	(1) It is listed in the course outline that completion of SOC204 or SOC207 is the pre-requisite requirement of the course under review. Meanwhile, it is also provided by OAL in column AE of this table that completion of the course "Introduction to Sociology" is recommended for students taking the course under review. For broadening purposes, courses accepted for fulfillment of University GE requirement require neither prerequisite nor specialized technical knowledge beyond the basic aptitudes of a university student. In this connection, further details/clarification may be needed to decide if students enrolled in the course under review are required to have prior knowledge of the subjects concerned.

				(2) If the pre-requisite issue is resolved: (i) The course can be considered for exempting 3 units in Area C. (ii) Sociology Majors cannot take this course for fulfillment of University GE requirement.
SOC 410 Sociology of Corruption
