

Workshop Notice

Only students from School of Architecture who have attended the Workshop current year safety-training seminar are permitted to use the machines and tools. All users must sign the log sheet every time when they enter and leave the Workshop. Students are solely responsible for their personal safety and security of the equipment and facilities at all times.

For your safety, during non-office / unsupervised hours, all users are prohibited to access or operate machines in the supervised area highlighted in red on the below plan without supervision.
