鄉村 演變

ADAPTING VILLAGES WORKSHOP 2019

International Workshop on the Future of Rural Villages
6-7 May 2019, Hong Kong
School of Architecture, The Chinese University of Hong Kong

TRANSFORMATIONS

Rural villages are changing at an unprecedented rate, the notion of the rural condition is today rife with preconceived ideas that have little in common with actual everyday countryside life. This workshop is interested in exploring “actual” rural conditions, to expose examples of villages that are changing and understand how and why they transform. We wish to expose how villages adapt and calibrate.

TALK

The workshop is structured over two days, the first day is dedicated to talks, where 12 international experts, academics and professionals will present positions based on first-hand experience. Each talk will fall into three categories: Heritage / Modernization, Economics / Sustainability, and Community / Society.

BOOK

The second day, the workshop will see each guest speaker collaborate with a team of 4 registered students, to produce an “Adapting Villages” Book Chapter establishing a position for the future of rural villages. Each chapter will be assembled into a final book that will be produced, printed and exhibited in one day.

演變

21世紀的鄉村正在發生著翻天覆地的變化。但遠離鄉村的大眾對這些陌生的地區的認識並沒能隨之更新，主流社會對鄉村地區先入為主形成的僵化印象日益背離了鄉村的真實狀況。正是基于這樣的背景，是次工作坊希望與大家共同探索鄉村的真實面貌，通過分析不同案例，剖析這些發生在鄉村的演變背後的原因。我們希望以這個工作坊為契機，深入了解鄉村是如何在新時期的背景下不斷調整自身從而適應牠們所處的新環境。

講座

本次工作坊為期兩天，第一天參會者將聽到12位專家、學者和建築師分享他們在鄉村領域最新的研究、實踐成果以及他們以此為基礎形成的對鄉村的看法和主張。講座將會分為三個類別：遺產/現代化，經濟/可持續，社區/社會。

彙編

第二天的工作坊中，每位受邀講者將會帶領四名同學一起研究，討論鄉村的現狀與問題，最終形成對鄉村未來發展的看法與立場。每個小組的研究成果會成為“鄉村演變”這本書的其中一章，在工作坊結束時，我們會將各章節彙編成書并製出來進行展覽。

SPEAKERS

Shin Egashira
Architecture Association
School of Architecture, London, UK

Ben Stringer
Westminster University, London, UK

Haoru Chen 陳浩如
China Academy of Art, Hangzhou, China
