

Ms. Carrie Cheng (Head of LLEC)

Welcome and congratulate on your acceptance to our programmes. We are excited that you are now a part of the CUSCS family! As you are embarking your learning journey with us, you may want to know ways to improve your language proficiency so as to enhance and excel. Language Learning Enhancement Centre (LLEC) at CUSCS is here for you. We have dedicated language teachers who are ready throughout the academic year to provide face-to-face and personalised language consultation for you. Simply book a session at our Language Advisory Service (LAS). Additionally, join our LLEC workshops, activities and competitions. These events will definitely impart you precious language learning exposure and inspiration. You can also find interactive e-learning packages at our website and resourceful references at our LLEC corners as well as LLEC at TKO learning centre.

Language learning is a fruitful journey - begin here with us at LLEC, use what we have for you and do what you can!
