

IELTS Workshop: Reading

This workshop gives you a guide to the requirements of IELTS reading papers. It helps you formulate effective reading strategies for the test. Students will be given good examples, and have hands-on reading practice in the workshop.

Upon completing the workshop, students should be able to:

- Prepare for the reading papers with a clear goal;
- Identify the common question types for IELTS reading papers;
- Learn the related examination skills; and
- Make good use of resources and consolidate self-learning plan for the papers.
