

Summer Enhancement Workshop for DFS Students – English and Chinese 2018

The Summer Enhancement Workshop is a series of introductory sessions of English and Chinese for equipping DFS students with a more solid foundation for the future study of Higher Diploma. E-learning and self-access learning materials will be introduced in order to reinforce the concept of self-study in language learning.

Upon completing the English Challenge Day activities, students should be able to:

- Realize the differences of requirements and standards of language courses at QF Level 3 (Diploma Programme in Foundation Studies, DFS) and QF Level 4 (Higher Diploma Programme, HD);
- Employ the self-access learning materials to facilitate their individual learning ;
- Develop the self-study strategies to enhance their language proficiency;
- Apply the language skills learnt in DFS to HD study and formulate effective ways of improvement ;
- Reflect on personal strengths and weaknesses of language learning.
