Academic Honesty and Plagiarism

Attention is drawn to University policy and regulations on honesty in academic work, and to the disciplinary guidelines and procedures applicable to breaches of such policy and regulations. Details may be found at <http://www.cuhk.edu.hk/policy/academichonesty/>.

With each assignment, students will be required to submit a signed declaration that they are aware of these policies, regulations, guidelines and procedures. For group projects, all students of the same group should be asked to sign the declaration.

For assignments in the form of a computer-generated document that is principally text-based and submitted via VeriGuide, the statement, in the form of a receipt, will be issued by the system upon students' uploading of the soft copy of the assignment. Assignments without the receipt will not be graded by teachers. Only the final version of the assignment should be submitted via VeriGuide.

Feedback for Evaluation

Our language programme highly values students' feedback and comments and is happy to use them for reflection on our teaching and improvement. Students are very welcome to provide comments and feedback on the course any time to their course teacher or the course level coordinator through email or in personal conversation. In addition, students' feedbacks will be collected in the middle of the term through an open-end questionnaire and the teacher will discuss the feedbacks in class and make improvements if necessary. The course will also follow the university's course evaluation exercise at the end of the term, and students' feedbacks will be used for future course planning and teaching.
