

# Collaborative Fact Check - Power of the Crowd

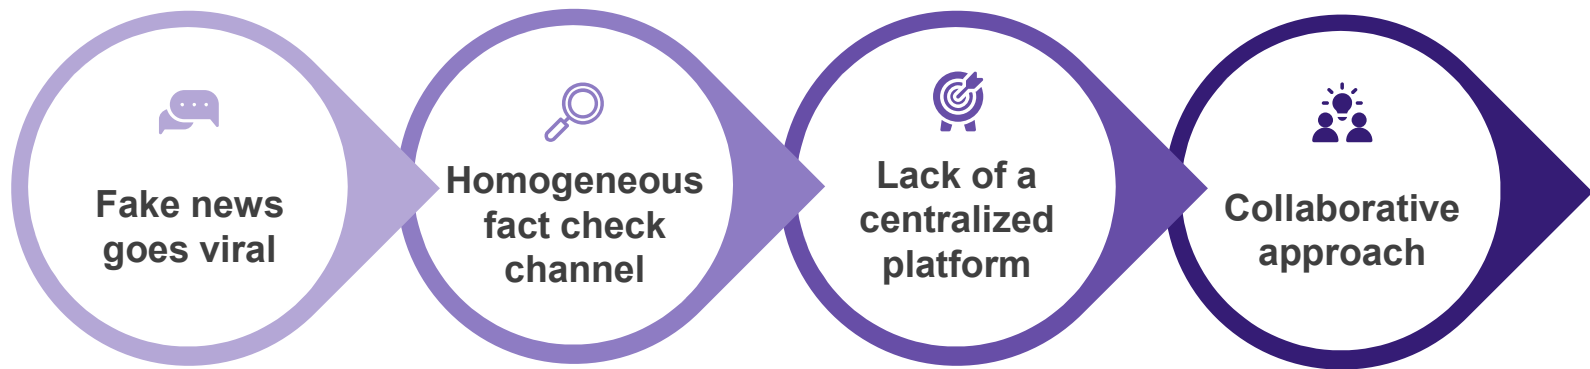

Supervisor: Prof. Michael R. LYU  
Au Tak Tung 1155092669  
Chan Wai Yi Vivien 1155093261

## **Outline**

- 01.** Motivation
- 02.** Technology
- 03.** Features & Functionalities
- 04.** Demo
- 05.** Real-life Scenario
- 06.** Video
- 07.** Testing
- 08.** Discussion & Conclusion

---

# 1. Motivation

## 02. Technology

**Flutter**

**Firebase**

**Google API**

**Algolia**

### 03. Main Functionalities

**Create Post**

**Reply Post**

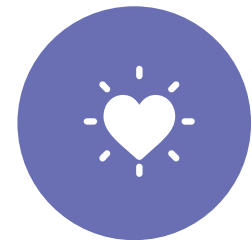

**View Post**

**Fact Vote**

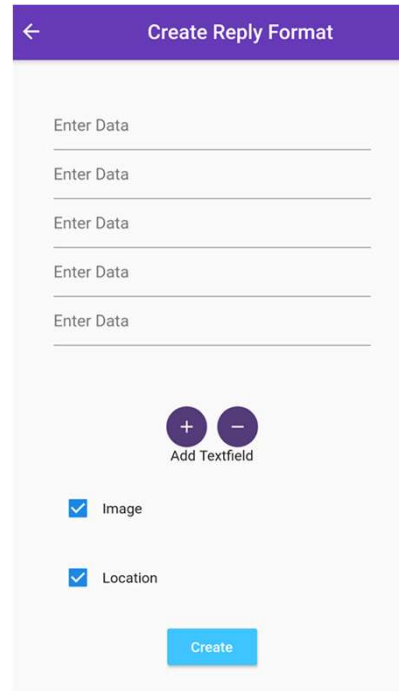

**Keyword Search**

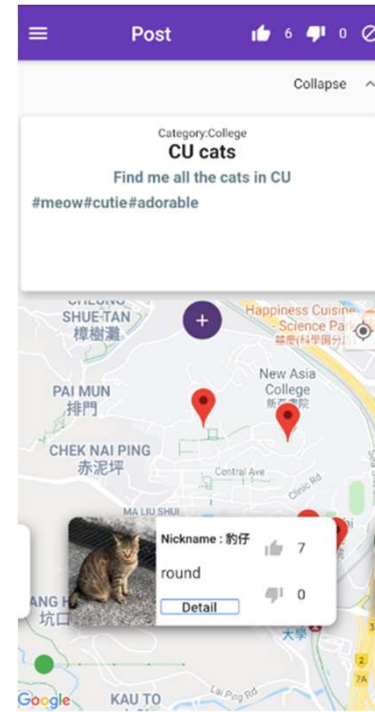

**Browse Recommendation, History etc.**

# 03. Key Features

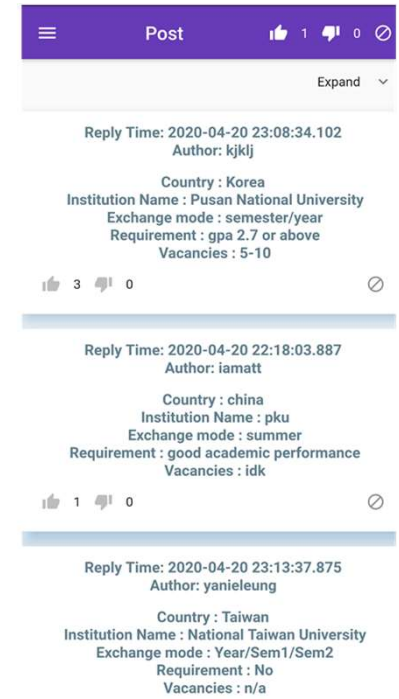

“ Especially built for fact-checking in CUHK ”

Customizable Reply Format

Interactive Map

Credibility System

## 04. DEMO

## 05. Real-life Scenario

### Cats, Plants in CU

Look up in the database

### Emergency incidents

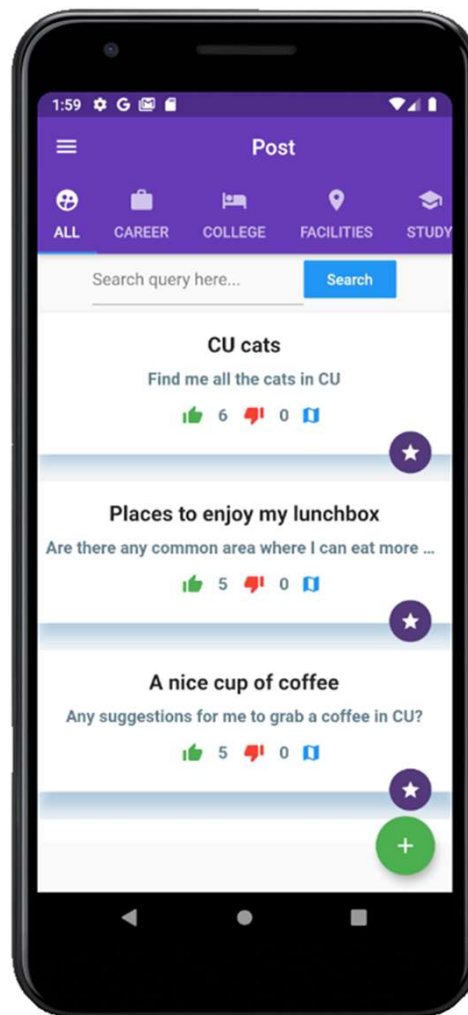

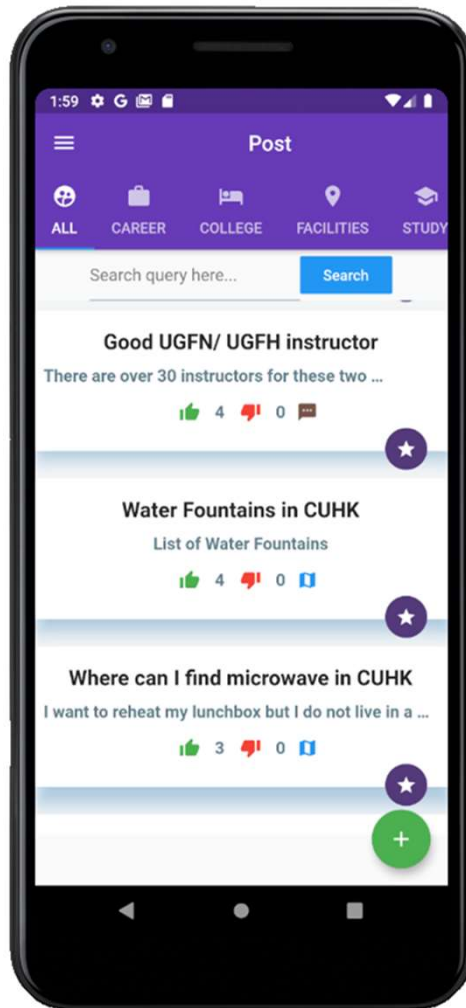

Create a post to verify the news or inform others

### Course registration and facilities

Reply in a post to build an extensive database

## 05. Real-life Scenario

### Cats, Plants in CU

Look up in the database

### Emergency incidents

Create a post to verify the news or inform others

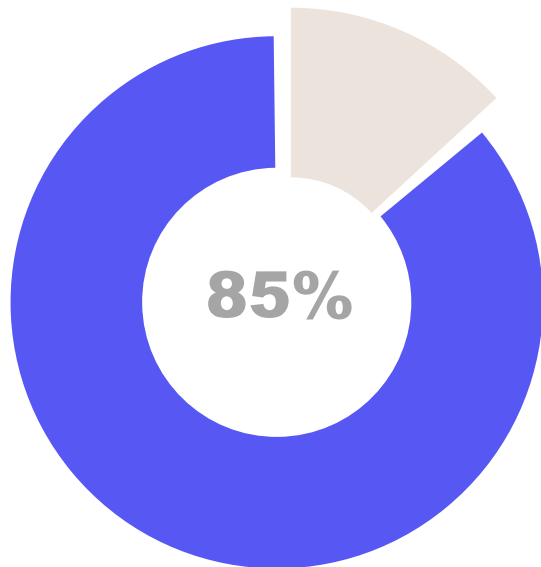

### Course registration and facilities

Reply in a post to build an extensive database

## 06. VIDEO

## 07. Testing

Divided into 53 test components

85% Accepted  
15% Slow response

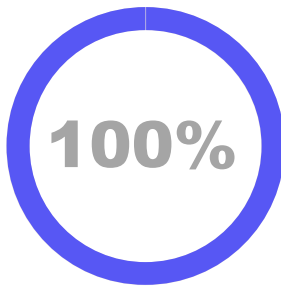

### Functional Testing

Slow Response Factors:

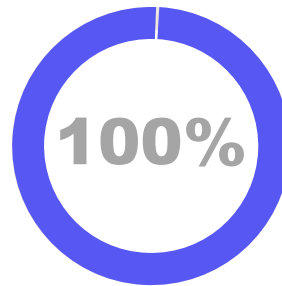

- Uploading Action
- Authentication
- Google Map

# Usability Testing

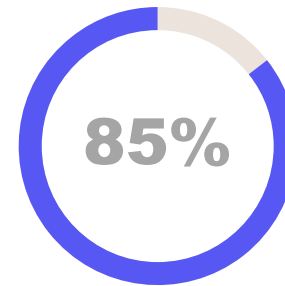

Collect feedback from user

**Effective in  
verifying content**

**Satisfied/ Neutral  
with reliability**

**Satisfied with  
security**
