Re: Graduation Results of Undergraduate Programmes in 1st term, 2020-21

Dear Students,

The Undergraduate Examinations Board has considered and approved on 3 March 2021 the graduation results of students whose expected term of graduation under CUSIS is 1st term 2020-21. Please note the following pertaining to the graduation results, letter of certification and academic transcripts.

1. Graduation Results (Subject to Senate approval)

The graduation results for students who fulfilled all the requirements for graduation in 1st term 2020-21 have been released today on the homepage of Registration and Examinations Section. Students may enquire their class of honours at this link: <http://www.res.cuhk.edu.hk/en-gb/graduates/graduation-results>. Regarding the collection of degree certificates, relevant information will be posted on Registration and Examinations Section homepage in October 2021.

For those who fail to meet the graduation requirements in this term, an email will be sent to their campus email account (@link.cuhk.edu.hk) to notify them to take course(s) to fulfill graduation requirements.

2. Letter of Certification and Academic Transcript (Student Copy)

A letter of certification and a copy of the academic transcript (student copy) for students' record and retention will be sent by mail from 10 March 2021 to the students' HOME ADDRESS recorded in CUSIS. However, these documents will be withheld for some students with the following conditions:

- official transcripts have not been presented to RES for proof of exchange programmes concerned; or
- with demerit record under review; or
- unsettled outstanding tuition fee after extended due date

For any further enquiries, please contact RES at 3943 9888 or e-mail to ugadmin@cuhk.edu.hk.

Best regards,

Registration and Examinations Section
