Caring Videos

In order to promote a caring and supportive culture on Campus, the Student Counselling and Development Service of the Office of Student Affairs commissioned the production of a video entitled **'Building a Caring Campus'** in 2009-10 which can be viewed on the Section's webpage www.cuhk.edu.hk/osa/scds.

The video, directed by our alumnus Mr. Oliver Shing (Journalism 2009, Shaw College), highlights the warm and caring atmosphere on our campus through interviewing different members of our community with distinguished alumnus Mr. Lee Ming Kwai Dick (History 1972, New Asia College) and our University Dean of Students Prof. Ng Kee Pui Dennis as our special guests.

This year, we intend to **'Keep Caring'** and as part of the Campaign, our Section recently commissioned the production of a video entitled **'Pursuing Your Ideal U Life'** which expresses our special care and attention to new students by facilitating their university adjustment as well as promoting their mental health awareness.

Directed by our students, Chelsea Yu and Mandy Cheung (Journalism Year 4), the video captured different experiences encountered by Yat Lee, Ginny, Frederick, Ming and Gigi who come from diverse cultural backgrounds. In the video, each recalled his/her initial adjustment difficulties after arriving in CUHK, including language barrier, cultural diversity, study stress, etc, as well as shared with new comers their keys to overcoming such obstacles. The video could be viewed at the Section's webpage in late October 2010.
