

2021 Global Talent Internship Program

Dear partners,

Greetings from your partner National Chengchi University!

We are delighted to inform you that MOST (Ministry of Science and Technology) Global Talent Internship Program: **Green Technology (Sustainability) X Biotechnology (Smart Healthcare)** is open for application!

The internship program will take place from **June 28 to August 25, 2021**. During the 8-week internship, the students can choose to enter one of the leading laboratory in Taiwan's top universities, national labs, and corporations. Also, they will have the opportunities to participate in featured speeches, corporate visits, as well as language & cultural experiences that GASE (Center for Global Affairs and Science Engagement) offered. We would appreciate it if you kindly pass this message to your students who might be interested in.

Eligible participants of the program will receive subsidy from MOST, Taiwan for the amount of approximately **US\$1,500** to cover program fees, travel insurance and accommodation. And students who are nominated by you will gain extra points in the selection.

For further details please refer to the attachment or the official website: <http://gasesummer.most.ntu.edu.tw/>.

The Chinese University of Hong Kong
Office of Academic Links (China)
CU in Mainland & Taiwan: Application Guidelines

Eligibility

1. All **full-time** undergraduate and postgraduate students of CUHK are welcome to apply. **The host institution normally gives priority to Hong Kong local and Macau students.**
2. Participants should be holders of **valid** home return permits (for mainland programmes), passports (for programmes to Taiwan and other countries) or other relevant visa documents.
3. Participants will be requested to travel to the destination(s) together with other participants by the same **means of transport** and with the same **travel schedule**, and to **complete the entire programme.**(Not applicable to online activity)
4. Students can apply for more than one programme every term, but OALC reserves full right of quota allocation.
5. **Please complete the online application form carefully.** OALC will not be liable for any failure of receiving information from OALC due to mistakes in data inputs.
6. The exchange activities organized by the Office are opened to students who are interested in the Mainland (and overseas) exchanges. All activities are not compulsory courses in any subject.

Programme Fees (Not applicable to online activity)

All expenses incurred in the destination, including local accommodation, meal, group activities and transport, are to be borne by the host institution. Participants have to bear any travelling expenses (round-trip flight or train tickets) and their personal expenses in the destination(s). CUHK will provide basic travel insurance for participants. Details of the insurance coverage are available at the webpage below:

http://www.cuhk.edu.hk/bursary/eng/public/purchase_guides/insurance.html (student login required)

We suggest participants purchase extra insurance according to their individual needs.

Programme Requirements

Participating students are required to:

1. read and sign a letter of undertaking; **(Not applicable to online activity)**
2. attend a pre-departure briefing session as instructed; **(Not applicable to online activity)**
3. submit **a programme article / report** (no fewer than 500 words for each student), **programme photos** (5 for each student), **programme videos** (2 short clips for every 10 students) **within ONE week** after the programme **(Not applicable to online activity)**
