Abstract

This talk will introduce the background, structure and recruiting plan of Zhejiang Lab of China (之江实验室). I will give a short presentation first (20-30 mins), and then the rest of time will be Q&A session for anyone who is interested in a potential job opportunity in the lab.

Biography

Professor Yum received primary and secondary school education in Hong Kong. He went to Columbia University and was awarded BS, MS, MPh and PhD degrees in 1974, 1975, 1977 and 1978 respectively. He joined Bell Telephone Laboratories in April 1978 working on switching and signaling systems for 2.5 years. Then, he taught at National Chiao Tung University, Taiwan for 2 years before joining The Chinese University of Hong Kong in 1982. He was appointed chairman of IE Department two times and elected Dean of Engineering for two terms (2004-2010). From 2010 to 2013, he took no-pay leave from CUHK to serve as CTO of ASTRI [www.astr.org](http://www.astr.org) (Hong Kong Applied Science and Technology Research Institute Company Limited). He is now senior scientist at Zhejiang Lab of China.
