A. Notes to Postgraduates

Please read the instruction of graduate School Office beforehand: registration and admission guideline and General Announcement .

1. Collection of Student Account

If you have completed the above registration and fulfilled all admission conditions, you will receive the 6-digit verification code (v-code) AFTER the scheduled date in Section C. [Note] Please go to Student Computing Accounts Collection System (SCACS) at https://cai.itsc.cuhk.edu.hk/ to collect the Computing Account Information (CAI) to enjoy CUHK IT services.

Note: *If you are currently under another study program at CUHK with a valid student account, you may continue using the existing one. You will therefore not receive a V-code from ITSC.*

2. No V-code? Contact Point for Enquiries

If postgraduates do not receive a v-code, it can be due to

    (1) an incomplete online registration or

    (3) a later study start date (over a month to go).

If you cannot receive v-code before your course enrollment begins, you can use R-account (R1155xxxxxx) to complete online registration / course enrollment at https://portal.cuhk.edu.hk/psp/EPPUB/?cmd=login.
