3. College International Team (i-team): World Buddies Programme

In this semester, the College International Team (i-Team) collaborated with Asbury Methodist Primary School, a local school in Lai King, with the aim of connecting the world with their pupils.

“World Buddies”, who are the non-local students joining the programme, shared their culture and life experience in an interesting way. Various sessions were conducted at the school with different topics each time. The pupil improved their English through games, songs and learning the fun facts of different countries in the class. At the same time, non-local students gained a deeper understanding of Hong Kong culture from the children. It is certainly hoped that the collaboration will continue next year!
