

*The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series*

Speaker: Dr. Elizabeth New
School of Chemistry
Faculty of Science
The University of Sydney

Title: Molecular imaging tools for intracellular
redox state and biological metal ions

Date: August 22, 2014 (Friday)

Time: 2:30 p.m.

Venue: L2
Science Centre

ALL ARE WELCOME

Contact Person:
Prof. Dennis K.P. Ng
