

## CUHK Vice-Chancellor's PhD Scholarship Scheme (2021-22 intake)

Due to continuing impact of the pandemic, your study plan to pursue a PhD degree overseas may be affected. CUHK offers a PhD Scholarship Scheme to those who are offered a PhD place in top overseas universities to realise your study goal!

**Awardees will be offered an award of total HK\$80,000 and studentships of HK\$216,300 per annum within the normative study period.**

### Eligibility:

- Applicants should have outstanding academic performance (obtained a minimum CGPA of 3.5 out of 4.0 or equivalent); and
- obtained a PhD admission offer for 2021-22 from a top overseas university.

### Our Programmes Information and Admission Websites:

- **Physics Programme:**  
<http://www.phy.cuhk.edu.hk/admission/pgphy.html>
- **Materials Science and Engineering Programme:**  
<http://www.phy.cuhk.edu.hk/admission/pgmse.html>

### Research Areas of Physics Department:

<http://www.phy.cuhk.edu.hk/research/areas.php>

### Application Procedures (Express Channel):

1. Submit copy of your (1) official academic transcripts, (2) CV, (3) valid English language test score report (TOEFL iBT:  $\geq 79$  or IELTS: overall  $\geq 6.5$ ), and (4) offer letter from the top overseas university; and indicate your interested field of study via email to [pgadm@phy.cuhk.edu.hk](mailto:pgadm@phy.cuhk.edu.hk).
2. Our Department will evaluate applications and arrange interview for the shortlisted applicants within one week, and assist qualified applicants to compete for the Vice-Chancellor's PhD Scholarship Scheme.

**Application Deadline: 7 April 2021**
