

*The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series*

Speaker: Prof. Haoli Zhang
College of Chemistry & Chemical Engineering
Lanzhou University

Title: Design of Organic Semiconductors for
Logic Devices and Molecular Electronics

Date: February 4, 2015 (Wednesday)

Time: 4:30 p.m.

Venue: L3
Science Centre

*The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series*

Speaker: Prof. Yanguang Wang
Department of Chemistry
Zhejiang University

Title: The Chemistry of Ketenimines: Synthesis and
Functionalization of Heterocycles

Date: February 6, 2015 (Friday)

Time: 4:30 p.m.

Venue: L1
Science Centre

ALL ARE WELCOME

Contact Person:
Prof. Zuwei Xie

*The Chinese University of Hong Kong
Department of Chemistry
Research Seminar Series*

Speaker: Prof. Minoru Isobe
Professor Emeritus of Nagoya University
Chair Professor, National Tsing Hua University
Visiting Scholar, Chemistry Department, CUHK

Title: Novel Synthetic Strategies toward Prostaglandin
and Solanoeclepin A

Date: February 13, 2015 (Friday)

Time: 4:30 p.m.

Venue: L1
Science Centre

ALL ARE WELCOME

Contact Person:
Prof. Tony K.M. Shing
