

**THE CHINESE UNIVERSITY OF HONG KONG  
SCHOOL OF LIFE SCIENCES  
BIOCHEMISTRY PROGRAMME**

**CAREER TALK**

**Speakers: Mr. Alex Li and Dr. Andy Ng**

**Date: 27 January 2014 (Monday)**

**Time: 6:30 p.m. to 8:00 p.m.**

**Venue: L2, Science Centre Lecture Theatre**

The career talk will be conducted in Cantonese.

Speakers' background:

Mr. Alex Li obtained his B.Sc. & M.Sc. in Microbiology in 1987 and 1988 respectively. He qualified as Part I MLT in 1995 and he is a fellow of IBMS, UK and qualified as a Chartered Scientist, UK.

Mr. Li was appointed as Board Member of the Hong Kong Medical Laboratory Technologist Board (MLTB) from 2007 to 2013. He has been appointed as the Chairman of the Board Registration Committee and Board Examination Committee.

He is currently the Chairman of Hong Kong Association of Medical Laboratories Limited, the association with private medical laboratories as members. He is also the Academic Secretary of Hong Kong Institute of Medical Laboratory Sciences Limited. He was the Academic Chairman of the 第三屆粵港澳檢驗醫學學術大會 and the Conference Chairman of the 第六屆深港澳檢驗醫學學術研討會, both held in 2013.

Dr. Andy Ng completed his B.Sc. & Ph.D. degrees in Molecular Biotechnology in CUHK in 2007 and 2011 respectively. He has been a Research Associate in Biochemistry Programme for a year before moving to the education sector. He is currently a Lecturer in the General Education Foundation Programme in CUHK, teaching the course "In Dialogue with Nature". In his talk, he will share his path as a research scientist, his experience in working in local and overseas research laboratories, and his transition from working at the bench to teaching in the classrooms.
