## **Asia Insurance Management Trainee Programme**

Asia Insurance **Management Trainee (AIMT) Program** aims to develop high calibre fresh and recent graduates who share the same values (Innovation, Stability, Long Term and Integrity) with us and have strong potential to become a future business leader at Asia Insurance.

We will immerse young talents in an accelerated learning environment combining on-the-job training, and personalized coaching. Under our well structure programme, you will be assigned to different lines of business on a rotational basis for a minimum of 3-6 months in each rotation, and you will be given different assignments and projects associated with the business to maximize learning opportunities and exposure.

We are now looking for a diverse pool of undergraduates of any disciplines or graduates with less than 2 years of working experience. Join us if you possess the following personal attributes:

- Creating innovative and implementing solutions drives you, and you are a tech-savvy person with a long-term ambition to become a future business leader at Asia Insurance.
- Your working style is collaborative and inclusive, and you are ready to build good relationship across the organization.
- You desire to connect and engage with other team-mates in building a great organization with long-term stability and integrity.
- You are proactive, curious, eager to learn and attentive to details.
- You have good logical and critical thinking skills.
- You hold a bachelor's degree from any discipline with good academic results and rich extracurricular activity exposures.
- You have excellent command of both spoken/written English and Cantonese with good presentation and communication skills.

We offer 5-day work week, 16-18 days annual leave, paid personal time off, birthday leave, double pay, discretionary performance bonus and medical plan. Remuneration package will be commensurate with qualifications and experience.

### **How to apply**
