

Time Industrial Manufactory Limited – Summer Intern

Company Introduction

Time Industrial Manufactory Limited, hereby TimeIn, is a watch manufacturer headquartered in Hong Kong. Over 25 years have passed since our establishment - starting off in the early 90s as a humble business, we have expanded to include a wide variety of subsidiaries accommodating tastes and preferences from different industries.

As an ODM and OEM manufacturer, we manufacture and produce pocket, automatic, smart, and quartz watches, including tailor-made ones. Concerning our product quality - do rest assured as we oversee the different production stages in our own factory, all in compliance with BSCI standards.

With our business focusing on product quality, timeliness, and exceptional customer service, you'll find these attributes implanted in each and every one of our watches.

Summer Intern

Time Industrial Manufactory Limited is currently recruiting a summer intern to work during July to August.

The intern will support the Chairman and handle duties assigned to the intern. He/she will be engaged with in daily and general office work to have the hands-on experience of running a business.

Application method

Please send your CV to enders@timeindl.com.hk
