CADENZ A Training Programme

# What is social well-being?

**“Social well-being is a sense of involvement with other people and with our communities.”**

(HALCyon Healthy Ageing across the Life Course, 2012)

# Definitions

- Based on existing theory and concepts, social well-being is composed of the following five elements: (Keyes, 1998)

**1.social integration**

**2.social acceptance**

**3.social contribution**

**4.social actualisation**

**5.social coherence**

# What is Social Inclusion?

*“can be defined as the process by which efforts are made to ensure that everyone, regardless of their background, experiences and circumstances, can gain access to the services and facilities they need to achieve their own potential in life. A socially inclusive society embraces and promotes diversity.” (P.3)*

# What is Social Exclusion?

*“the process whereby certain individuals, groups or communities are pushed to the edge of society and cannot participate fully because of poverty, inadequate education or underdeveloped life skills. This distances them from jobs, income and education opportunities as well as from social and community networks, and often limits their access to power and decision-making bodies.”*

*(P.3)*

**(Social Inclusion Handbook, 2010)**

# Definitions and Explanations

- Social exclusion affects everybody.
- Social inclusion
  - is a process whereby the varying needs of a community are recognized, prioritized and met.
  - means breaking the cycle of social exclusion.
  - affects all areas of a person's life and the wider society.

**(Salford Compact, 2007)**

# What are the effects of social exclusion?

# The Effects of Social Exclusion

- According to the *Social Inclusion Handbook*, some of the main effects of social exclusion are as follows:
  - ***low income, debt or poverty***
  - ***discrimination***
  - ***lack of education, poor skills and employment opportunities***
  - ***a sense of lack of power, influence or control***
  - ***low self-esteem and/or poor psychological health***
  - ***poor diet and/or poor physical health***
  - ***crime and anti-social behaviour***

(Social Inclusion Handbook, 2010)

# **Social Inclusion / Social Exclusion & Older People**

# Dimensions of Social Exclusion

- 1. Exclusion from social relationships***
- 2. Exclusion from cultural activities***
- 3. Exclusion from civic activities***
- 4. Exclusion from access to basic services***
- 5. Neighbourhood exclusion***
- 6. Exclusion from financial products***
- 7. Exclusion from material goods***

(Barnes, Blom, Cox, Lessof & Walker, 2006)

# ***Social Relationships***

- Refers to the frequency of contact with family and friends and the density of these relationships.

**(Barnes et al., 2006)**

# *Cultural Activities*

- Refers to the notion of exclusion from cultural activities for which older people have to leave their homes.

(Barnes et al., 2006)

# ***Civic Activities***

- Refers to the participation in activities that contribute to a healthy civil society.

(Barnes et al., 2006)

# ***Access to Basic Services***

- Assess whether older people can access certain services that provide basic provisions.

**(Barnes et al., 2006)**

# ***Neighbourhood Exclusion***

- Refers to older people's feelings about the area surrounding where they live, and their ability to converse with people living close to them.

**(Barnes et al., 2006)**

# ***Financial Products***

- Consideration of how older people manage their finances.

**(Barnes et al., 2006)**

# ***Material Goods***

- Measures the ownership of common consumer goods.

**(Barnes et al., 2006)**

# Profile of typical excluded elder

- ***Age: 80 or over***
- ***Family type: living alone, no living children***
- ***Health: poor mental/ physical health***
- ***Mobility: no access to a private car and never uses public transport***
- ***Housing tenure: rented accommodation***
- ***Income: low income, benefits as main source of income***
- ***Telephone: those without access to a telephone***

(Barnes et al., 2006)

# Pathways into social inclusion in later life

# Community Cohesion

- is an outcome of addressing social inclusion.
- refers to the ability of communities to function and grow in harmony together rather than in conflict.
- is strongest when people have chances to engage and participate as they wish and on an equal basis with others.

(Harborough District Council , 2007)

**Addressing  
social inclusion**

# Senior Citizen Card Scheme

The Scheme aims at promoting a spirit of respect for the senior citizens.

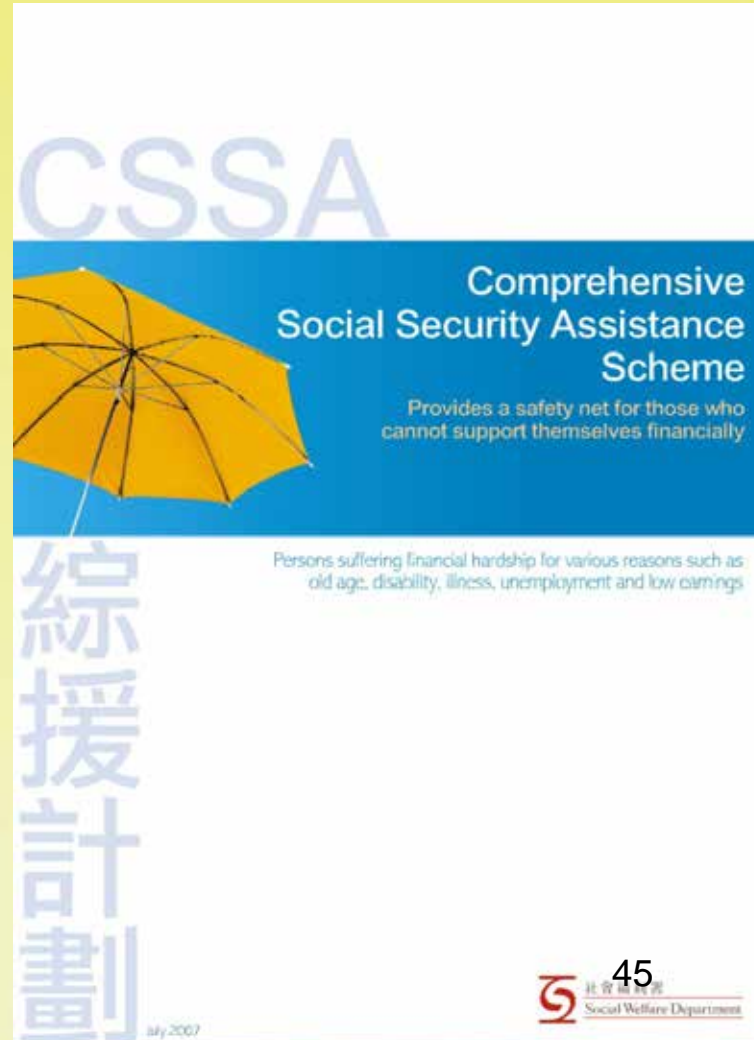

(Social welfare Department, 2005e)

# Comprehensive Social Security Assistance (CSSA) Scheme

To provide a safety net for those who cannot support themselves financially and bring their income up to a prescribed level to meet their basic needs.

(Social welfare Department, 2005a)

The image shows a brochure for the Comprehensive Social Security Assistance (CSSA) Scheme. The top section features the acronym 'CSSA' in large, light blue letters. Below this, a blue horizontal band contains the text 'Comprehensive Social Security Assistance Scheme' in white, with a yellow umbrella icon to the left. Underneath the blue band, the text 'Provides a safety net for those who cannot support themselves financially' is written in a smaller font. The bottom section of the brochure has a white background with the Chinese characters '綜援計劃' (Comprehensive Social Security Assistance Scheme) written vertically in large blue characters. To the right of these characters, it says 'Persons suffering financial hardship for various reasons such as old age, disability, illness, unemployment and low earnings'. At the bottom right, there is a logo for the Social Welfare Department, the number '45', and the text 'Social Welfare Department'.
