**Assessment:****1. Case Presentation (50%)**

Students are assigned into 12 groups of 2 students in each group. Each group have to bid for a case in each round for preparing a **20 minutes** case presentation, and there will be about 10-20 minutes of discussion afterwards. There will be 3 case presentations in each seminar.

In the latter half of the seminar, the speaker will have discussion with the class on the pre-assigned cases / journals.

According to the COVID-19, the lessons are held by mixed mode. Student should attend the classroom to present in person. In case if there are any reason that the student is inappropriate to come, that part of presentation will be done in the online ZOOM meeting platform.

Each student will present once in each round of the session. The case in Round 1 will be assigned, and you might bid for the favor topic for Round 2 and Round 3. Rules will be announced.

**2. Written Assignment (50%)**

Detail: To prepare a case report of 1,000 – 2,000 words on one of your presented cases.

The case report should include:

- Introductions and Background
- Case History
- Treatment Plan
- Expected Outcome and other discussions.

Submission through VeriGuide is required.

**Submission Deadline: 31/5/2021 (Mon) (to be confirmed)**
