## Organiser

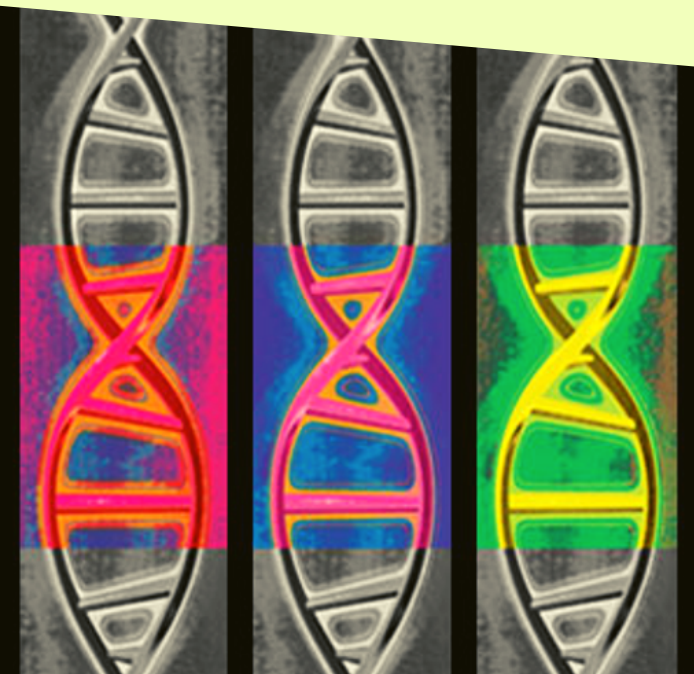

Department of Obstetrics and Gynaecology  
The Chinese University of Hong Kong

Professional Training **Webinar** Course in

# CLINICAL MOLECULAR GENETICS

The content is equivalent to the course CNGT5001 in  
MSc in Medical Genetics (26 hours)

## About the Course

The course covers:

1. understanding of DNA structure, human genome and application of various molecular techniques in current clinical molecular laboratory
2. developing pre-analytic and post-analytic skills including interpretation of test results, report writing and communication of result to clinicians

## Unit Transfer & Tuition Fee Reduction

Completion of this course with passing grade and 80% attendance will be considered for unit transfer and tuition fee reduction when you apply for MSc in Medical Genetics organised by CUHK in 2022.

## Class Schedule

The course is delivered through webinar lectures with 26 teaching hours with details below:

- 4 Sep 2020 (Fri) 09:00-18:00
- 5 Sep 2020 (Sat) 09:00-19:00
- 6 Sep 2020 (Sun) 09:00-14:00 & 20:00-22:00
- 7 Sep 2020 (Mon) 09:00-11:00

## Course Detail

Assessment:

Written examination or assignment

Medium of instruction:

English

## Target Participants

- Clinical professionals (such as obstetricians, paediatricians, physicians, nurses and midwives), who are managing patients and families with genetic diseases in their daily practice.
- Laboratorial professionals who are working with genetic and genomic testing.
- Clinical and laboratorial professionals who plan for a master's degree education in the field of clinical genetics.

## Entry Requirement

Applicants should possess a degree or equivalent and currently working in the relevant field.

## Tuition Fee

HK\$10,000

## Registration Link

<https://cloud.itsc.cuhk.edu.hk/webform/view.php?id=10205274>

## Registration Deadline

24 August 2020

## Accreditation

26 CME pts accredited by HKCOG (pending)  
26 CNE / PEM pts accredited by CUOG

## Graduation Requirement

CERTIFICATE OF COMPLETION

- At least 80% of overall attendance
- A passing grade of assessment

CERTIFICATE OF ATTENDANCE

- At least 80% of attendance only
