Chemistry Department Announcement for Chemistry major students

Course Registration 1st Term, 2022-23

All Students

- (1) Maximum course load each semester: 18 units
- (2) Students with academic problems

Students with academic problems should seek advice from Academic Advisor before course registration.

Maximum course load for students with a) academic probation: 12 units

b) extended academic probation: 9 units

Year 1 Students

(1) Students who wish to declare Chemistry as their major programme are advised to take the following Faculty Package courses:

Group B: CHEM1070

Group D*: PHYS1001 or 1002 or 1111

Students admitted with Advanced Standing and units exempted according to their admission qualifications who wish to take CHEM-coded course should approach Department Office for assistance.

Year 2 Students

(1) Pre-assigned Class Lists

The following lectures are to be pre-assigned by Department. Students are NOT required to register these courses by themselves through CUSIS:

CHEM2120	Main Group Chemistry
CHEM2200	Organic Functional Groups: Structure and Reactivity
CHEM2300	Thermodynamics and Chemical Equilibrium

(2) Student should enroll the following required laboratory course via CUSIS themselves:

CHEM2860 Integrated Chemistry Laboratory I

^{*} PHYS1001/1002/1111 is a pre-requisite requirements for CHEM2310.

Year 3 Students

(1) Pre-assigned Class Lists

The following lectures and laboratory classes are to be pre-assigned by Department. Students should follow the instruction sent by the course teacher on giving their preference for the lab section (CHEM3810 and CHEM3870). Students are NOT required to register these courses by themselves through CUSIS:

CHEM3220 Organic Reactions: Reactivity and Selectivity

CHEM3810 Organic Chemistry Laboratory

CHEM3410 Instrumental Analysis

CHEM3870 Instrumental Analysis Laboratory

(2) Student should enroll the following required course via CUSIS themselves:

CHEM3320 Chemical Kinetics

CHEM3830 Physical Chemistry Laboratory I

Final Year Students

(1) Pre-assigned Class List of the following courses are to be pre-assigned by Department. Final year students are NOT required to register this year course by themselves through CUSIS:

CHEM4030/4040 Problem-based Learning in Chemistry I/II

CHEM4980/4990 Undergraduate Thesis I/II

CHEM4471 Internship

(2) Students who wish to take elective course at CHEM5000 level should seek approval from the Department Office and the course teacher.

Faculty of Science (BSCIN) Students

BSCIN students who wish to take elective course at CHEM2000 level should seek approval from the Department Office.
