

School of Pharmacy
Department Announcement
(2022/23)

To: All Current Pharmacy students

Please note that tutorials and practicals for all major courses listed in the Undergraduate Teaching timetable 1st & 2nd term 2022-23 are compulsory for students; please avoid time clash when you take other electives or GE courses.

All major courses will be pre-assigned to students.

To: New students

Please note that Faculty Package courses: MEDF1011, MEDF1012, MEDF1021, MEDF1031 and MEDF1041 with Major courses: PHAR1000, PHAR1110 and PHAR1440 are courses that need to be taken during 1st year of study. These courses will be pre-assigned to students.

Thank you for your attention.
