

## **Announcement of Biochemistry Programme on Course Registration 2022-23 Term 1**

BCHE2070 Research Internship

Prior approval has to be obtained from Ms. Chin-yung Yeung at [chinyungyeung@cuhk.edu.hk](mailto:chinyungyeung@cuhk.edu.hk) (Tel: 3943 6359) by 13 Sep 2022 (Tuesday).

### Pre-assigned Courses for Potential/Major Biochemistry **Year 2** Students:

BCHE2030 Fundamentals of Biochemistry

BIOL2120 Cell Biology

LSCI2002 Basic Laboratory Techniques in Life Sciences

### Pre-assigned Courses for Potential/Major Biochemistry **Year 3** Students:

BCHE3040 Proteins and Enzymes

BCHE3080 Bioenergetics and Metabolism

For BCHE3092 (Self-study Modules in Biochemistry and Professional Development), you are required to enroll to one of the groups (Group A – G) by YOURSELF.

*\*Final group arrangement for the classes will be announced during the first lecture on 6 Sep 2022\**

### Pre-assigned Courses for Biochemistry **Final Year** Students:

BCHE4902 Senior Experimental Project II (2U) will be pre-assigned to Biochemistry students who have selected senior experimental project;

LSCI4000 Senior Literature Research (3U) will be pre-assigned to Biochemistry students who have selected senior literature research; and

LSCI4912 Group Research in Biochemistry (2U) will be pre-assigned to Biochemistry students who have selected group research.

For enquiries, please contact Ms. Chin-yung Yeung at [chinyungyeung@cuhk.edu.hk](mailto:chinyungyeung@cuhk.edu.hk) (Tel: 3943 6359).
