

**2nd Croucher Summer Course:
Cell and Developmental Biology Research**

Dear Participant,

On behalf of The Chinese University of Hong Kong – School of Life Sciences, we would like to invite you to join our 2nd Croucher Summer Course (CSC) which will take place in The Chinese University of Hong Kong on June 15 – 19, 2015.

Please be aware that you must possess a valid visa to stay in Hong Kong. This event is organized by The Chinese University of Hong Kong and supported by the Croucher Foundation, which consists of

Five-day residential Summer Course

1. Morning lectures
2. Technical lectures
3. Laboratory sessions (You may bring your own research samples for testing and analysis)
4. Evening discussion among invited speakers and students
5. Social activities with invited speakers and other participants
6. Registration fee: HK\$3,000 (including 6-night accommodation, course materials and all related activities within the course period)

This CSC will cover a wide range of subjects which are stimulating and inspiring. A panel of world experts will join us and share their valuable experience in this meeting. We sincerely welcome you to join us and achieve a successful event.

Should you need any further information, please do not hesitate to contact us at (+852) 3943 3002, or by email ccdb@cuhk.edu.hk. For further details, you may visit the CSC website: <http://www.cuhk.edu.hk/centre/ccdb/csc2/csc2015/home.html>.

We look forward to seeing you at CUHK in June 2015.

Sincerely yours,

*Choh-Ming Li Professor of Life Sciences
School of Life Sciences
Director, Centre for Cell & Developmental Biology
Director, RGC-AoE Centre for Organelle Biogenesis and Function*
