 School of Architecture  
THE CHINESE UNIVERSITY OF HONG KONG

This merit-based Scholarship is intended for young talents with outstanding academic performance who demonstrate excellent design ability and potential in the field of architecture and urban design. Priority shall be given to underrepresented groups. The Scholarship will fund **half tuition** for the selected applicants – **self-financed students of our Master of Science in Urban Design** and Master of Architecture Programmes.

This Scholarship will be awarded at the time of admission. All applicants who submit a completed application will be considered. No additional materials or application submission is required. Applicants awarded this scholarship will be notified later on.
