**'Keep Caring' Campaign in CUHK**

**Video on 'Building a Caring Campus'**

In order to promote a caring and supportive culture on Campus, the Student Counselling and Development Service of the Office of Student Affairs commissioned the production of a video entitled 'Building a Caring Campus'.

The video, directed by our alumnus Mr. Oliver Shing (Journalism 2009, Shaw College), sketches the care we could find on our campus through interviewing different characters, from alumni to workmen. Besides the sharing of current students, major interviewees include our honorable alumnus Mr. Lee Ming Kwai Dick (History 1972, New Asia College), our University Dean of Students Prof. Ng Kee Pui Dennis, Uncle Gui of Kuo Mou Hall in Shaw College and, last but not least, Ah Chong of Women Cooperative Store. They all vividly shared their personal views and lively experiences on how they experienced care on campus. This invaluable collection of Caring experiences and views will soon be uploaded to the webpage of the Student Counselling and Development Service [www.cuhk.edu.hk/osa/scds](http://www.cuhk.edu.hk/osa/scds) for your enjoyment.
