Collection of Caring Experiences and Inspirations

Since our launching of collection of "Caring Experiences" in the University Marketplace and OSA e-Newsletter, many staff and students have sent in their own personal sharing with us. Here are some of them:

My Caring Anecdotes...

- ☞ *After entering university, freshmen felt overwhelmed by having to handle so much stuff, but luckily we got the helping hands from our "jo ba" and "jo ma" in adapting to the university life.*
- ☞ *I once got lost on Campus and a helpful stranger came over and accompanied me to my destination.*

My Expectations towards a "Caring Campus"...

- ☞ *I hope that beside the "small" and "big" O'camps, an O'camp would be organized for those who weren't able to participate in those camps to help them make more friends.*
- ☞ *Everyone should be nice to others and willing to help each other.*

My Personal Contribution to a "Caring Culture"...

- ☞ *When seeing some puzzled faces or others in difficulties, offer help in time.*
- ☞ *Giving a helping hand to others whenever they need it.*

* Whether you are a staff or student, you are invited to express your gratitude to those who cared for you as well as share your joy in caring for others by sending us your thoughts and experiences on the following:

- ☞ Your personal experience in which you felt being cared for and supported by the people around you
- ☞ Your expectations of a "Caring Campus", i.e. what you hope to experience or see on campus
- ☞ Your contribution in promoting a "Caring Culture" in CUHK

You can submit your contributions via a collection box located in the Student Services Centre, 1/F, Benjamin Franklin Centre or email to caring-campus@cuhk.edu.hk. Our Section reserves the right to edit and publish your contributions.
