### **About AUPresses and the “Book, Jacket, and Journal Show”**

Established in 1937, AUPresses, which currently includes 150 international nonprofit scholarly publishers, promotes the essential role of the global community of university presses whose mission is to ensure academic excellence and to cultivate knowledge. The “Book, Jacket, and Journal Show” has been held annually for more than 50 years. With esteemed designers reviewing hundreds of submissions and selecting the very best entries, the show is a celebration of the craftsmanship of book design and production. A travelling exhibition of this year’s selected entries is expected to debut during the AUPresses Annual Meeting in Washington, DC, on 18-20 June.
