A. M.Phil. Student

1. Coursework Requirement

(a) Lecture courses

Students are required to register and pass at least four courses from the Department Course List. Courses outside the Department Course List may be selected on the recommendation of the thesis supervisor with the approval of the Division Head. The courses need to be taken normally within the first two terms but should not be more than three terms (or four terms for part-time students) unless with the approval of the Division Head.

(b) Thesis research/monitoring courses

Each M.Phil. student must register for the relevant Thesis Research Course in every term throughout his/her study period.
- Full-time M.Phil. students: IERG8006
- Part-time and Continuing M.Phil. students: IERG8003

2. Other Requirements

(a) Students must fulfill the Term Assessment Requirement of the Graduate School. For details, please refer to Section 13.0 "Unsatisfactory Performance and Discontinuation of Studies" of the General Regulations Governing Postgraduate Studies which can be accessed from the Graduate School Homepage: http://www.gs.cuhk.edu.hk.

(b) Students are required to submit a research thesis and pass an oral examination for graduation.

(c) Complete an Improving Postgraduate Learning (IPL) module on "Observing Intellectual Property and Copyright Law during Research". This is an online module and relevant information can be accessed from the website: http://www.cuhk.edu.hk/clear/prodev/ipl.html.

(d) Students are required to complete an online Research Ethics Training (RET) module on "Publication Ethics" offered by the Office of Research and Knowledge Transfer Services (ORKTS) and obtain a valid Publication Ethics Certificate for graduation. Relevant information can be accessed from the RET website at https://www.research-ethics.cuhk.edu.hk/web/.
