## CERTIFICATE PROGRAMME IN COMMUNITY-BASED DEMENTIA CARE FOR PRACTITIONERS

2022

### Brief Introduction of Programme

#### Part I Course Curriculum

|                       |   |
|-----------------------|---|
| <b>CBDCP Module 1</b> | <b>Understanding Dementia: Clinical and Transdisciplinary Perspectives</b>          |
| <b>CBDCP Module 2</b> | <b>Living Well with Dementia: Multiple Interventions and Holistic Care Approach</b> |
| <b>CBDCP Module 3</b> | <b>Clinical Practice and Case Study</b>   |

- The course contains two modules and clinical practice which the participants are required to participate in attachment programme at JCCPA
- Each module (Module 1 and Module 2) consists of 9 lectures
- Lecturers and honorary guest speakers from various related professional sectors are invited for specific topics

#### Part II Course Objectives

The key objective of the course is to develop a fundamental understanding of transdisciplinary perspectives about dementia and multiple interventions to dementia care.

Upon completion of the programme, students will be able to:

- Understand the basic concept of dementia and person-centred care approach
- Design the community care services for people with dementia and their caregivers
- Assess the needs of people with dementia and caregivers in the community settings
- Get familiar with the non-pharmacological interventions and relevant treatment in dementia care
- Demonstrate the specific knowledge and skills in dementia care for community

\* The formation of this certificate course is upon the successful completion of the DCSS training programme with encouragement from **Food and Health Bureau, Hospital Authority and Social Welfare Department.**

#### Part III Admission Requirements

- Applicants who are working in social service or health care settings; AND
- Applicants who obtain 5 subjects at Grade E / Level 2 or above in HKCEE (including English Language and Chinese Language); OR
- Holders of Diploma in Vocational Studies / Foundation Diploma / Foundation Certificate; OR
- Obtain a pass in Project Yi Jin OR equivalent

\* Please refer to the JCCPA website for more details

Successful applicants will receive notification by email or phone

#### Part IV Class Size

- Maximum 30 students
- Priority will be given to applicants who are working in community based elderly care or social service agencies
- Selection of successful applicants are subject to the final decision of donors, CUHK and JCCPA

#### Part V Orientation Session

- An orientation session for successful applicants will be held on **25/07/2022 (Monday) from 7:00pm to 9:00pm**. It may be conducted either through online platform or at the Training Centre of Jockey Club Centre for Positive Ageing
