

Boost your vocabulary with ways of word formation

This online workshop will introduce commonly used ways of word formation and the functions of word class (part of speech) in grammar. Authentic texts will be used to help participants to integrate the linguistic knowledge into practical reading and writing, so as to help students sharpen their reading and writing skills.

Upon completing the workshop, students will be able to:

- understand the basic knowledge of word formation, an important part of language learning;
- enhance grammar by using the correct class of words in writing; and
- improve reading with accurate analysis of words in the context
