

Corporate Development Intern (ACG / Web3)

The job will include:

- * Assist in searching for and proposing new investment targets;
- * Prepare business plan, pitching deck and presentation materials;
- * Contacting potential targets to establish rapport and set up meetings;
- * Undertake research assignments as provided by CEO on an ad-hoc basis.

As a Corporate Development Intern for QooApp, YOU SHOULD:

- * Be innovative and excited to engage with diverse topics in ACG and Web3;
- * Fluent in written and spoken of Cantonese and English (Japanese is a plus);
- * Good organizational skills including prioritizing, scheduling and time management;
- * Interest in ACG, cryptocurrency, blockchain and Web3.

We Offer:

- * Working hours: Anytime between 10:00 am - 08:00 pm, at least 12-15 hours of attendance a week;
- * Meet inspiring entrepreneurs and learn about both the ACG market and blockchain industry;
- * Work closely with CEO/COO and our VC partners;
- * Possible full time employment to outstanding interns upon graduation;
- * A fun, open minded work culture;
- * Flexible work arrangements.

To apply for the job, please send an email to career@qoo-app.com along with a few relevant writing samples, [Title: Corporate Development Intern Application]. Our office is located in Kwun Tong.
