S H Ho Fellowship

SH Ho Geriatrics Fellowship 2013-2014 continued awarded to Dr Yuk Ka Lok and Mr Chan Yu Hong for their second year study of the MSc in Clinical Gerontology. Dr Yuk graduated from the Medical School in the year 2005 and he is now residence in the Prince of Wales Hospital and Shatin Hospital. Mr Chan had worked as a registered nurse in the Hospital Authority for over 20 years and now working in an integrated complex of a NGO which is serving residents with mental illnesses or retardation, including psychogeriatric residents.

Public Activities

- Dr Jenny Lee and Dr Au Yeung Tung Wai, as speakers for the public talk “Understanding Dementia and the prevention” on 2 March 2013 at Wan Chai Activities Centre.

- CADENZA Community Project: Cherish Our Life: Enhancing Psychological Well-being of Elders Press Conference cum Symposium on 3 September 2013 at The Cityview, Kowloon.

Other activities

- Members of the Civic Party visited Tai Po CADENZA Hub in Fu Shin Estate on 7 March 2013

- Visit to CADENZA Hub, National University of Singapore visit to Cadenza Hub, 6 June 2013
- Professors and doctors from Chung Shan Medical University, National Taiwan University Hospital and Taichung City Government of Taiwan visited School of Public Health, Shatin Hospital and Jockey Club Centre for Positive Aging on 7 June 2013.

- Seminar

Lecture co-organized by S H Ho Centre for Gerontology and Geriatrics, The Chinese University of Hong Kong and Medical & Geriatric Unit, Shatin Hospital. Speaker: Dr Takanori Shibata, Senior Research Scientist, Human-Life Technology Research Institute, National Institute of Advanced Industrial Science and Technology (AIST), topic "Seal Robot, PARO, as Neurological Therapeutic Device" on 28 January 2013 at Shatin Hospital.

- Workshop

Health Promotion Experience Sharing Workshop organized by JC School of Public Health and Primary Care on 25 July 2013. Prof Jean Woo and Dr Ruth Chan were the speakers of the workshop.

Research Grants

Jean Woo

Research Fund for the Control of Infectious Disease / Health and Health Services Research Fund 2011*

(Lee TMC, Chan FHW, Chu LW, Kwok T, Lam LCW, Tam H, Woo J)

HKD945,048 (From 1 April 2012 – 31 March 2015)

Effects of an auditory-based cognitive training program on attention and memory of older people at risk of progressive cognitive decline: A randomized controlled trial.

SK Yee Medical Foundation 2012*

(Woo J, Chan R, Sea M, Leung PC, Kwok A)

HKD660,000 (From 1 June 2012 – 30 November 2013)

Senior eat smart cook healthy program.

National Healthcare Group Clinician Scientist Career Scheme 2012*

(Chong MS, Chan M, Tay L, Lim WS, Woo J, Earnest Arul, Wan Gervais)

SGD300,000

The influence of physical frailty, sarcopenia and Vitamin D status on disease progression on community-dwelling older persons with mild cognitive impairment and mild-moderate dementia.

Health and Medical Research Fund 2012*

(Yu R, Woo J, Chan A, Sze S)

HKD80,000 (From 21 September 2012 – 20 September 2013)

Traditional Chinese mind body intervention in promoting health in older community-living adults.

(* Co-investigator)

Timothy Kwok

Research Grant Council (RGC)

HKD1,133,900 (1/2011-12/2013)

A randomized placebo controlled trial of vitamin B12 supplementation to prevent cognitive decline in cognitively normal older diabetic people with mild vitamin B12 deficiency

Research Grant Council (RGC) *

HKD694,831 (9/2010 – 8/2013)

Enhancing Quality of Life of Elders in Care and Attention Homes in Hong Kong through a Facility Management Model

Health and Health Services Research Fund (HHSRF)

HKD80,000 (1/1/2012 – 31/12/2012)

To Determine the Prevalence of Osteonecrosis of the Jaw in Patients Who Take Bisphosphonate for Osteoporosis Treatment

Research Grants Council – General Research Fund *

HKD1,100,000 (1/1/2012 – 31/12/2014)

Risk Index for Screening Subclinical Brain Lesions in Community-dwelling Elderly Persons in Hong Kong

Wyeth Pharmaceuticals, Inc.

HKD546,921 (1/5/2010 – 31/12/2012)

A 78-week Noninterventional Longitudinal Study to Validate the Alzheimer's Disease Assessment Scale-Cognitive Subscale (ADAS-Cog), Disability Assessment for Dementia (DAD), and Neuropsychological Test Battery (NTB) in Asian Subjects with Mild to Moderate Alzheimer's Disease

Health and Health Services Research Fund (HHSRF)

HKD554,600 (1/10/2009 – 30/6/2013)

A Randomized Placebo Controlled Trial of Low Dose Angiotensin Converting Enzyme Inhibitor to Prevent Pneumonia in Older People Who Require Nasogastric Tube Feeding because of Neurological Dysphagia

Public Policy Research Funding Scheme*

HKD4,992,639 (1/6/2009 – 31/5/2014)

A Benefit-finding Intervention for Family Caregivers of Persons with Alzheimer Disease

Merck & Co., Inc.*

HKD 997,410 (1/5/2009 – 28/2/2014)

A Sub-study to Explore Biomarkers of Physical Function in the Phase III Randomized, Placebo-controlled Clinical Trial to Assess the Safety and Efficacy of Odanacatib (MK-0822) to Reduce the Risk of Fracture in Osteoporotic Postmenopausal Women Treated with Vitamin D and Calcium

Merck & Co., Inc.*

HKD 2,570,000 (20/12/2007 – 19/2/2014)

A Phase III Randomized, Placebo-controlled Clinical Trial to Assess the Safety and Efficacy of Odanacatib (MK-0822) to Reduce Risk of Fracture in Osteoporotic Postmenopausal Women Treated with Vitamin D and Calcium

(* Co-investigator)

Invited conference speaker

Prof Jean Woo

- Asia Pacific Geriatric Conference, Hong Kong, 20-21 October 2012
- International Sarcopenia group meeting, Amsterdam, UK, 16-17 May 2013
- Second Asia-Pacific BUILD Educational Meeting, Taipei, Taiwan, 27-28 July 2013
- International Summit on Healthy Ageing, Hong Kong, 24-25 August, 2013
- Singapore Health & Biomedical Congress, Singapore, 27-28 September 2013
- IAGG Masterclass on Aging, Kyoto, Japan, 30 October – 1 November 2013

Other conference presentations

1. Woo J. On the fringe of society and other challenges in geriatric medicine. **Plenary lecture.** Asian Pacific Geriatrics Conference, Hong Kong, 20-21 October 2012.
2. Tang M, Lee J, Hui E, Woo J. Reviewing an end of life care program from a geriatric perspective: Did we adhere to guidelines and protocols. Asia Pacific Geriatrics Conference, 20-21 October 2012, Hong Kong. Poster presentation.
3. Woo J., Hui E, Chan W. Chronic disease self-management: do patient demographics and leader characteristics affect outcomes? The Gerontological Society of America 65th Annual Scientific Meeting “Charting New Frontiers in Aging”, 14-18 November 2012, San Diego, California, USA.
4. Kong APS, Choi KC, Chan R, Lok A, Ozaki R, Ma R, Chow F, Woo J., Chan J. A Randomized Controlled Trial to Investigate the Impact of a Low Glycemic Index (GI) Diet on Body Mass Index in Chinese Adolescents. 9th IDF-WPR Congress & 4th AASD Scientific Meeting, 24 – 27 November 2012, Kyoto, Japan.
5. Chau PH, Yeung F, Chan TW, Woo J. Evaluation of a new service option for stroke patients in Hong Kong. 19th Annual Congress of Gerontology, 24 November 2012, Hong Kong. Poster presentation.

6. Mak WWS, Pang IHY, Tang WK, Tang AKL, Cheng SKW, Chiang TP, Wong SYS, Lee DTF, Cheung FMC, Woo J, Lau JTF. Impact of discrimination and recovery-oriented care on service engagement, self-stigma and recovery of mental health consumers in Hong Kong. The Third Joint International Conference of the Hong Kong College of psychiatrists and the Royal College of Psychiatrists (UK), 8-10 December 2012, Hong Kong.
7. Lee JSW, Auyeung TW, Leung J, Kwok T, Leung PC, Woo J. The pre-frail status in community-living older Chinese: factors that influence its transitions into the frail and the robust states. 8th International Academy on Nutrition and Aging (IANA) Meeting: Nutrition and Physical & Cognitive Frailty Including Sarcopenia, 23 June 2013, Seoul, South Korea.
8. Auyeung TW, Lee JSW, Leung J, Kwok T, Woo J. Frailty survey and the selection of a screening test for frailty identification in community-dwelling older Chinese adults. 8th International Academy on Nutrition and Aging (IANA) Meeting: Nutrition and Physical & Cognitive Frailty Including Sarcopenia, 23 June 2013, Seoul, South Korea.
9. Chan R, Woo J, Chan D. A cross sectional study to examine the association between dietary patterns and cognitive impairment in Chinese older people in Hong Kong. 8th International Academy on Nutrition and Aging (IANA) Meeting: Nutrition and Physical & Cognitive Frailty Including Sarcopenia, 23 June 2013, Seoul, South Korea.
10. Woo J, Leung J, Chan R, Chau PH. Influence of income and self rated socioeconomic position on lifestyle, physical and psychological function in Chinese older adults aged 65 years and over. The 20th IAGG World Congress of Gerontology & Geriatrics, 23-27 June 2013, Seoul, Korea.
11. Auyeung TW, Lee JSW, Kwok T, Leung J, Woo J. Obese and overweight men survive longer than the normal – weight and stably underweight men - a six-year prospective study in 3322 older persons. The 20th IAGG World Congress of Gerontology & Geriatrics, 23-27 June 2013, Seoul, Korea.
12. Lee JSW, Auyeung TW, Leung J, Kwok T, Woo J. Blood pressure (BP) increase over 2 years is beneficial to survival in the oldest old: 7-year follow-up study in 3397 older adults. The 20th IAGG World Congress of Gerontology & Geriatrics, 23-27 June 2013, Seoul, Korea.
13. Yu R, Woo J. Housework reduces all-cause and cancer mortality in Chinese men. The 20th IAGG World Congress of Gerontology & Geriatrics, 23-27 June 2013, Seoul, Korea.
14. Woo J. Management of falls and fracture risk. Second Asia-Pacific BUILD Educational Meeting, 27-28 July 2013, Taipei, Taiwan. **Invited Speaker.**

15. Woo J. Preserving muscle mass, strength and function. International Summit on Healthy Ageing, 24-25 August 2013, Hong Kong. **Invited Speaker.**
16. Moses Wong. Exploring socio-geographical patterns of healthcare utilization in Hong Kong, 11-13 September 2013, Paris, France.
