語言 Language

It is a tool for communication, a name card for your personality and a bridge leading to a new world.

Putonghua 普通話 (Standard Chinese)

The official language of the People's Republic of China

Also known as Standard Chinese or Mandarin, Putonghua is the official language of China, Taiwan and one of the four official languages of Singapore. Spoken by more than 1 billion native speakers, Putonghua is increasingly regarded as the language with equal importance to English. Along with China's economic rise, learning Putonghua seems to have become inevitable for many, and the education systems in various countries have made Putonghua as a foreign language programme compulsory for students.

Cantonese 廣東話

A language with a long history and the mother tongue of most Hong Kong people

Widely spoken in Hong Kong, Macau, Guangdong Province and overseas Chinese communities, Cantonese is one of the seven major dialects of China. Its origin dates from as early as the Qin Dynasty (221 to 206 BC). During the Song Dynasty (960 to 1279 AD), the occupation of northern China by foreign invaders caused an exodus of the Han Chinese to southern China, where the Cantonese dialect took shape. Hong Kong is the only place in the world where people use it officially to discuss serious issues. Its long heritage and vitality give it far-reaching influence on pop culture within the Asia-Pacific region.

Chinese Characters 中國漢字

Representation of China's civilization and culture

Chinese Characters are logograms used in the writing of Chinese and constitute the oldest continuously-used system of writing in the world. These artistic characters are indispensable to the civilization of China and have great impact on the language systems in the Asia-Pacific region like Japan and Korea. Studies carried out in China have shown that functional literacy requires knowledge of between 3000 to 4000 characters.

「CLC 是我的博士課程老師推薦給我的，他本身都是 CLC 的畢業生。他說：『你要努力讀書，但不用擔心，那裏的教職員是令人吃驚的』。那話是真的。我特別喜歡的是我現在與同學 (韓國人，美國人及日本人) 建立友誼，而我們的溝通語言是普通話。」

詩梅 (荷蘭)

"CLC was recommended to me by my PhD supervisor who himself is a CLC graduate. He said, "you'll have to study hard but don't worry - the staff are amazing". True words! I especially like the fact that I now have friendships with fellow students (Korean, American and Japanese) and that our sole language of communication is Mandarin."

Jacqueline Elfick (Holland)

“私は、自身も卒業生である大学院の教授の紹介で CLC の存在を知りました。彼が言うには、“君はそこで一生懸命勉強しなければならないだろう、でも心配はいらないよ、スタッフがすばらしいんだ！”それは事実でした。現在、韓国、アメリカ、日本から来たクラスメートとも仲良くなりました。我々がコミュニケーションする際の唯一の共通言語が普通話であることも、すごいことだと思います。”

Jacqueline Elfick (オランダ)

“CLC 는 이 곳의 졸업생이기도 한 내 박사과정의 담당교수가 추천한 곳이다. 그가 말하길, 분명 열심히 공부해야 하지만 걱정할 필요는 없다고 하였다. 탁월한 교사진이 있으니까. 그리고 그것은 사실이였다! 특히 좋았던 점은 많은 한국, 미국, 일본 등에서 온 친구들을 알게되었다는 것이다. 그리고 우리의 유일한 의사소통 수단은 표준중국어였다.”

Jacqueline Elfick (네덜란드)

雅禮中國語文研習所 Yale-China Chinese Language Centre

Founded in 1963 under the joint auspices of New Asia College and the Yale-China Association, the New Asia—Yale-in-China Chinese Language Center (CLC) became part of the Chinese University of Hong Kong (CUHK) in 1974 and has been responsible for the Chinese language education of CUHK students (both local and international) ever since. In 2009, CLC became part of the Faculty of Arts under the new name "Yale-China Chinese Language Centre".

Apart from programmes offered to CUHK students, these programmes have been restructured into 14 Certificate, Diploma and Advanced Diploma programmes intended for the general public to study at the CUHK Shatin campus and Tsim Sha Tsui learning centre. The main goal of the CLC's language courses is to enhance the language proficiency of students for communication in daily living and for professional purposes.

Unique Features

- The only university unit in Hong Kong offering award-bearing Chinese language programmes to both native and non-native speakers.
- Some programmes have been registered with the HKSAR Qualifications Register and are eligible for Continuing Education Fund application.
- Well-qualified instructors from CUHK.
- Oral proficiency oriented programmes that students enable to start from any level.
- Wide spectrum of student support, language and cultural activities.

*To Combine Tradition with Modernity
To Bring Together China and the West*

香港中文大學

The Chinese University of Hong Kong

Founded in 1963, The Chinese University of Hong Kong (CUHK) is a forward looking, comprehensive research university with a global vision and a mission of combining tradition with modernity and linking China with the West. CUHK teachers and students hail from all corners of the world. We have over 20,000 undergraduate and postgraduate students, of whom 3,000 come from regions outside Hong Kong.

CUHK has a beautiful 137.3-hectare campus overlooking Tolo Harbour and it is the largest and greenest in Hong Kong. Located north of Shatin Town, it takes less than 5 minutes to reach downtown Shatin. Kowloon and Hong Kong Island sightseeing spots are located within 40 minutes, and 20 minutes to the China Guangdong border at Lo Wu station.

The Shatin campus houses a range of facilities essential for an all-round campus experience, such as world-class libraries, art museums, music halls, a swimming pool, sports fields, tennis courts, squash courts, a water sports centre and gymnasiums.

香港

Hong Kong

Hong Kong (HK) is a region on China's south-east coast that came under British control in the 19th century. Over 150 years later in 1997 Britain finally handed HK back to China, classifying it as a "Special Administrative Region" (SAR).

HK has made its reputation as a financial centre and Asia's World City. In recent years its economy has become more integrated with that of the mainland.

One of the most striking characteristics of HK is the interweaving of contradictions and the interplay of the exotic and technically advanced. Due to these dazzling contrasts, HK offers visitors something unique – the chance to experience a vibrant Chinese city without sacrificing the comforts of home.

English is widely spoken in this most cosmopolitan of cities. Along with invigorating opportunities for personal growth, Hong Kong offers unmatched insights into fast track global business, rapid urban and social development, and an energetic civil society.

Medical care in Hong Kong is world class and public hospitals are inexpensive.

Law and order in Hong Kong is the envy of many other cities in the world; the crime rate is low and public security is not only very good but also unobtrusive.

There is on top of it all, a rich cultural life in Hong Kong. Often described as The City of Light, Hong Kong is the meeting place of East and West where the indigenous culture of Southern China comes into contact with the best the West has to offer in the world of the arts and entertainment.

常規學分制課程

Regular Credit-bearing Programmes

The most systematic way to secure a foundation in Chinese as a foreign/ second language.

These are the programmes where the Centre first gained its reputation since its foundation in the early 60's. Students range from absolute beginners to trained sinologists who wish to learn a Chinese dialect or to polish their spoken Chinese. Many alumni are now holding key positions in their field.

Intake : January, June and September

Course load : 3 sessions a day, 5 days per week, approximate
165 sessions per trimester, lesson during daytime

Class location : CUHK Shatin campus

Programme offer:

Putonghua (Mandarin) Programmes	Cantonese Programmes

*Simplified Chinese and Traditional Chinese are taught in the Putonghua programmes and Cantonese programmes respectively.
**The Advanced Diploma Programmes are formerly known as the Certificate programmes before 2006.

Objectives:

1) to provide all rounded Putonghua teaching to foreigners and non-native speakers of Chinese including: vocabulary, grammar, speaking, listening, reading and writing with special emphasis on speaking skills; 2) to improve their ability to communicate in Chinese with common topics about daily life and work; 3) to help them to internalize basic knowledge of Cantonese/ Putonghua sounds, grammar and vocabulary through interaction between teachers and learners; 4) to provide fluency in communicating with correct and appropriate Cantonese/ Putonghua through speaking practices.

Learning Outcome for Advanced Diploma Programmes:

To be able to participate actively in conversations on various topics in some formal and most informal settings; handle a wide variety of speaking tasks with communicative strategies; deal effectively with unanticipated complications in oral communication; ability to satisfy requirements of school and work situations.
