

Assessment Scheme for MATH4900D, 2019-2020.

1. Components of assessment

- Presentation : 60%

Your presentation will be evaluated according to the following criteria:

- How well-organized and well-prepared the presentation is.
 - How clear the presentation is.
 - How well the presenter understands the topics mathematically.
- Homework : 30%
 - Attendance : 10%

N = Number of classes you are absent from + $\frac{1}{2}$ Number of classes you are late for.

- If N is less than or equal to 1, then you will get full marks.
 - If N is greater than 1, then $(N-1)$ % will be deducted from the your marks.
- ❖ For those who gave the first presentation and homework only, the marks of the second presentation and homework will be replaced by those of the first presentation and homework.

2. There will be no additional tasks for every student.
