### **About Chung Chi College**

Chung Chi College was founded in 1951 by representatives of Protestant churches in Hong Kong. Integrating Christianity and Chinese culture, the College endeavours to cultivate love for humanity, open-mindedness, freedom and inclusiveness, and to nurture talents who demonstrate insightful knowledge, a liberal attitude and global horizons. Chung Chi was one of the three founding constituent colleges when The Chinese University of Hong Kong was established in 1963. Chung Chi currently has about 3,200 students enrolled and more than 29,000 alumni around the world. The College provides non-formal education through a wide variety of activities, including overseas exchanges, cultural explorations, service-learning, leadership training, and cultural and language activities, complementing the formal curricula and equipping students with all-round skills to meet the challenges of the new era.
