

BSc-MPH Run-Through Scheme

The CUHK JC School of Public Health and Primary Care

What can I do after graduating with a BScPH or BScCHP from CUHK?

You can start looking for jobs, or you can think about getting a Master of Public Health (MPH) via the articulated MPH Programme.

What is so special about BSc Run-Through Scheme?

This Scheme is specially designed for our BScPH and BScCHP graduates aims to ease transition from their bachelor programme to advance to MPH programme. With the advantages of having course exemptions, this Scheme creates a bridge between the programme, providing an extended education in the field of Public Health.

What is the application procedure?

The exemption will be automatically assessed upon receiving the final Bachelor transcript from the students. The application is subject to the decision of the Graduate Division concerned and the Graduate School.

	Priority Round Deadline	Final Round Deadline
MPHFT	28 Feb	1 May
MPHPT	15 Mar	31 May

What are the requirement?

You should apply the MPH programme within 3 years of obtaining the BScPH or BScCHP degree from CUHK.

What courses can be exempted?

A maximum **12** units can be exempted from the 36-unit MPH programme.

**Contact us for a detailed list of course exemptions.*

Am I eligible to sit-in the lectures after getting course exemptions?
