But as he has got what he wants, he becomes more controlling of Charlotte and un-controlling of himself. How long is she willing to be tangled with her Mr Evans in the ugly deal? How many more terrible costs will Mr Evans have to bear behind this forbidden relationship?

Max Muller once said that "A flower cannot blossom without sunshine, and man cannot live without love." What happens then, when one is not given love? What is it like to be Aphil - to be away from love and friendship? Like flowers grow towards the sunlight seeking warmth, humans seek out the affection they yearn. But how far are they willing to go?
