WELCOME TO GPA

Admission of 2018Entry
Welcome to the Family of GPA!

We are delighted we have over 50 new admitted students from different admission channels in this academic year. They joined the Academic Counselling Day on 10 Aug and Faculty Tea Reception on 3 Sept which were the platforms for teachers to share the views on adaption into the university life.

Freshman's view
HE Tsz Yuk, Year 1 student

"I've been longing to be part of GPA Dept since the moment I was impressed by how eloquent the seniors were back when I was participating in several competitions as a secondary school student.

I can't help feeling honoured and blessed even after my dream was finally realized.

I've met a lot of excellent and nice jobas, jomas and omates in only just a month. I'm glad to call some of them my friends because we share the same ambitions and values. I hope I could establish life-lasting friendships with them.

I crave for new knowledge as well.

I believe I would clarify the misunderstandings I've had about the world and the society and eventually better myself by constant learning and reflecting upon myself. If given the chance, I would endeavor to uphold the reputation of our department and bring honour for us just like our seniors."
